GPrS

Goal Progression SIP

Tracking the progress of your financial goals like a Dream Home, Child's Education or Retirement is simple with the help of GPrS.

Goal Progression SIP (GPrS) makes it possible to follow a disciplined route and keep track of your investment.

Goal Progression SIP (GPrS) is an alert based trigger facility using Systematic Investment Plan offered under various schemes of Edelweiss Mutual Fund and serves as a Financial Tool.

4 simple steps under GPrS

- 1 Set a Goal
- 2 Fix a monthly SIP investment amount
- 3 Start GPrS
- 4 Check if you are on track

Navigate to your Goals!

Benefits of GPrS

- Helps stay focussed and committed to your investment goals
- Avoid impulsive investment decisions.
- Reduces overreaction to short term market movements
- Stress free planning for the future

GPrS Features

- Goal status reminders
- Notification of how far you are from completing your goal
- Intimation when you are close to achieving your goal
