However, mutualfundsindia.com is not responsible for any error or inaccuracy or for any losses suffered on account of information contained in this report. This report does not support to be an offer for purchase and sale of mutual fund units.

Risk Factors: Edelweiss Liquid Fund and Edelweiss Liquid Plus Fund are only the names of the schemes and do not in any manner indicate either the quality of the scheme, its future prospects and return. The Schemes, being offered, are the maiden schemes in the Liquid/ Debt Scheme Category under its management. All Mutual Fund and securities investments are subject to market risk and there can be no assurance that the schemes' objectives will be achieved. As with any investment in securities, the NAV of the Units issued under the Scheme can go up or down depending on the factors and forces affecting the capital markets. Past performance of the Sponsor and their Affiliates/AMC/Mutual Fund & its Scheme(s) does not indicate the future performance of the Scheme and may not necessarily provide a basis of comparison with other investments. Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal. As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down. The sponsor is not responsible or liable for any loss resulting from the operation of the scheme beyond the initial contribution of Rs. 1, 00,000/- made by it towards setting up Edelweiss Mutual Fund. Investors are not being offered any guaranteed / assured returns under any scheme of Edelweiss Mutual Fund.

***Disclaimer from CRISIL:** "The assigned rating AAf is valid only for "Edelweiss Liquid Fund". The rating of CRISIL is not an opinion on the Asset Management Company's willingness or ability to make timely payments to the investor. The rating is also not an opinion on the stability of the NAV of the Fund, which could vary with market developments."
