Risk Factors: Edelweiss Liquid Fund is only the name of the scheme and does not in any manner indicate either the quality of the scheme, its future prospects and return. The Scheme, being offered, is the maiden scheme in the Liquid Scheme Category under its management. All Mutual Fund and securities investments are subject to market risk and there can be no assurance that the schemes' objectives will be achieved. As with any investment in securities, the NAV of the Units issued under the Scheme can go up or down depending on the factors and forces affecting the capital markets. Past performance of the Sponsor and their Affiliates/AMC/Mutual Fund & its Scheme(s) does not indicate the future performance of the Scheme and may not necessarily provide a basis of comparison with other investments. Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal. As the price / value / interest rates of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down. Investors are not being offered any guaranteed / assured returns under any scheme of Edelweiss Mutual Fund. **Mutual Fund investments are subject to market risks. Please read the Statement of Additional Information (SAI) & Scheme Information Document (SID) of the respective schemes carefully before investing.**

***Disclaimer from CRISIL:** "The assigned rating AAAf is valid only for "Edelweiss Liquid Fund". The rating of CRISIL is not an opinion on the Asset Management Company's willingness or ability to make timely payments to the investor. The rating is also not an opinion on the stability of the NAV of the Fund, which could vary with market developments."
