Investment Objective: JPMorgan India Equity Fund: To generate income and long-term capital growth from a diversified portfolio of predominantly equity and equity-related securities including equity derivatives. However, there can be no assurance that the investment objective of the Scheme will be realized.

JPMorgan India Mid and Small Cap Fund: To generate long term capital appreciation from a portfolio that is substantially constituted of equity and equity related securities focused on smaller companies. Generally, the universe will be the companies constituting the bottom fourth by way of market capitalization of stocks listed on the National Stock Exchange or The Bombay Stock Exchange. The fund manager may from time to time include other equity and equity related securities outside the universe to achieve optimal portfolio construction. However, there can be no assurance that the investment objective of the Scheme will be realized.

JPMorgan India Top 100 Fund: To generate capital appreciation, from a portfolio that is substantially constituted of equity securities and equity related securities of the Top 100 companies, by market capitalisation, listed in India. However, there can be no assurance that the investment objective of the Scheme will be realized.

JPMorgan India Economic Resurgence Fund: The primary investment objective of the scheme is to generate long term capital appreciation, from a diversified portfolio that is substantially constituted of equity and equity related securities of
