HIGHLIGHTS / SUMMARY OF THE SCHEME

Name of the Scheme	Edelweiss Corporate Bond Fund
Investment Objectives	<p>The investment objective of the Scheme is to generate returns commensurate with risks of investing in a portfolio comprising of AA+ and above rated Corporate Bonds across the maturity spectrum.</p> <p>However, there can be no assurance that the investment objectives of the Scheme will be realized.</p>
Scheme Plans	<p>In terms of SEBI Circular No. CIR/IMD/DF/21/2012 dated September 13, 2012, direct investments by investors, viz. where the investment is not routed through distributors but made directly by the investors, will have a separate plan (i.e. Direct Plan) and a separate NAV. Expenses such as distribution expenses, brokerage or commission payable to distributors will not be charged to the investment made via direct investment and hence the Direct Plan will have a lower expense ratio.</p> <p>Based on the above, the Scheme offers a choice of two plans:</p> <ol style="list-style-type: none"> 1. Direct Plan; and 2. Regular Plan <p>Investors subscribing under Direct Plan of the Scheme will have to indicate “Direct Plan” against the Scheme name in the application form i.e. “Edelweiss Corporate Bond Fund - Direct Plan”. Investors should also indicate “Direct” in the ARN column of the application form. However, in case Distributor code is mentioned in the application form, but “Direct Plan” is indicated against the Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan. Further, where application is received for Regular Plan without Distributor code or “Direct” mentioned in the ARN Column, the application will be processed under Direct Plan.</p> <p>The investment portfolio shall be common for both the Plans.</p> <p>Applications received without Distributor code or “Direct” mentioned in the ARN Column, shall be processed under Direct Plan.</p>
Scheme Options	<p>Each Plan under the Scheme offers a choice of two options :-</p> <ul style="list-style-type: none"> ▪ Growth option ▪ Dividend option <p>Under the Growth option, no dividend will be declared.</p> <p>Under the Dividend option, a dividend may be declared by the Trustee, at its discretion, from time to time (subject to the availability of distributable surplus as calculated in accordance with the SEBI Regulations).</p> <p>The Dividend option offers:</p> <ul style="list-style-type: none"> ▪ Payout option; or ▪ Reinvestment option; or ▪ Weekly reinvestment option; or ▪ Fortnightly reinvestment option; or ▪ Monthly reinvestment option; or ▪ Annual reinvestment option; or ▪ Monthly payout option; or ▪ Annual payout option. <p>In case of weekly dividend reinvestment option, the record date for the declaration of dividend shall be every Tuesday; in case of fortnightly dividend reinvestment option, the record date shall be 14th and 28th of each month; in case of monthly dividend reinvestment or payout option, the record date shall be 25th of each month and in case of annual dividend reinvestment or payout option, the record date shall be March 20 of every year. In case these record dates fall on a non-Business Day, the subsequent Business Day shall be considered as the record date. There can be no assurance or guarantee to Unit Holders as to the rate of dividend distribution or that the dividends will be regularly declared, though it is the intention of the Mutual Fund to make regular dividend distribution under the Dividend option. Dividend distribution is subject to availability of distributable surplus.</p> <p>If the investor does not clearly specify at the time of investing, the choice of option under Dividend, it will be treated as a weekly dividend reinvestment option.</p>

	<p>The investors must clearly indicate the option (Growth or Dividend) in the relevant space provided for in the Application Form. In the absence of such instruction, it will be assumed that the investor has opted for the default option, which is the Growth option.</p> <p>The Trustee may decide to distribute by way of dividend, the distributable surplus by way of realised profit, dividends and interest, net of losses, expenses and taxes, if any, to Unit Holders in the Dividend option of the Scheme if such distributable surplus is available and adequate for distribution in the opinion of the Trustee. The Trustee's decision with regard to availability and adequacy, rate, timing and frequency of distribution shall be final. The dividend will be due to only those Unit Holders whose names appear in the register of Unit Holders in the Dividend option of the Scheme on the record date which will be announced in advance in accordance with the SEBI Regulations.</p>
Liquidity	<p>Units may be purchased or redeemed at NAV subject to applicable Loads (if any), on every Business Day on an ongoing basis. The Scheme will endeavour to dispatch the Redemption proceeds within 3 (Three) Business Days from the acceptance of the Redemption request. However, in certain circumstances [outlined in Section III-B 'Restrictions on Redemptions'] restrictions on redemptions may be imposed.</p>
Benchmark for Performance Comparison	<p>The Benchmark index of the Scheme shall be CRISIL Short Term Bond Fund Index.</p>
Transparency / NAV Disclosure	<p>The first NAV of the Scheme will be calculated and announced within a period of 5 (Five) Business Days after the allotment of Units of the Scheme. Thereafter, the AMC will calculate the NAV on each Business Day and disclose the NAV of the Scheme on the same Business Day. The NAV of the Scheme shall be made available at all ISCs of the AMC. The AMC will publish the NAV for each Business Day as follows:</p> <ul style="list-style-type: none"> ▪ in at least two daily newspapers having nationwide circulation on the following Business Day. ▪ on the website of the Mutual Fund (www.edelweissmf.com) and of the Association of Mutual Funds in India (www.amfiindia.com) by 9.00 pm every Business Day. <p>In case of any delay in publishing the NAV as described above, the reasons for such delay would be explained to AMFI and SEBI. If the NAVs are not available before commencement of business hours on the following Business Day due to any reason, the Mutual Fund shall issue a press release providing reasons and explaining when the Mutual Fund would be able to publish the NAVs.</p> <p>The AMC shall disclose full portfolio of the Scheme (along with the ISIN) as on the last day of the month, on its website, on or before the 10th (tenth) day of the succeeding month.</p> <p>The NAV will be calculated in the manner as provided in this SID or as may be prescribed by the SEBI Regulations from time to time. The NAV will be computed up to four decimal places.</p>
Load Structure	<p>Entry Load: Not Applicable</p> <p>Exit Load : 10% of the units allotted shall be redeemed without any Exit Load on or before completion of 365 days from the date of allotment of units. Any redemption in excess of such limit within 365 days from the date of allotment shall be subject to the following</p> <p>Exit Load:</p> <ul style="list-style-type: none"> • If redeemed or switched out on or before completion of 365 days from the date of allotment of units - 1.00% • If redeemed or switched out after completion of 365 days from the date of allotment of units - NIL <p>Redemption of units would be done on First in First out Basis (FIFO).</p> <p>A switch-out or a withdrawal under Systematic Withdrawal Plan ("SWP") shall also attract an Exit Load like any Redemption.</p> <p>There will be no Load for Units created as a result of dividend reinvestment.</p> <p>No Loads will be chargeable in case of switches made between different Scheme Options.</p> <p>Exit Load (net of Good & Service Tax) charged, if any, shall be credited to the Scheme.</p> <p>For the most up to date information on Loads investors are advised to contact their ISC or the AMC at its toll-free number (1800 425 0090 and non-toll free no. +91-40-23001181) prior to any application / Redemption.</p>

Minimum Application / Redemption Amount
Initial Application Amount

₹ 5,000/- (Five Thousand Rupees) or any amount in multiples of ₹ 1/- (One Rupee) thereafter. Please note that applications accompanied with cheque / draft for amount not in multiple of ₹ 1/- (One Rupee) may, at the discretion of the AMC, be rejected or accepted only for amount in multiples of ₹ 1/- (One Rupee) with balance being refunded to the investor.

In case of investors opting to switch into the Scheme from any other existing scheme of Edelweiss Mutual Fund (subject to completion of the lock-in period of that other scheme(s), if any) during the NFO Period of the Scheme, the minimum amount is ₹ 5,000/- (Five Thousand Rupees) per application and in multiples of ₹ 1/- (One Rupee) thereafter.

Additional Application Amount

₹ 1,000/- (One Thousand Rupees) or any amount in multiples of ₹ 1/- (One Rupee) thereafter.

Minimum Amount or Minimum no. of Units for Redemption

₹ 1,000/- (One Thousand Rupees) or 100 (One Hundred Units) or the account balance, whichever is lower.

Transaction charges in respect of Applications routed through Distributors
Applicable only for Regular Plan

In terms of SEBI circular no. CIR/IMD/DF/13/2011 & CIR/IMD/DF/21/2012 dated August 22, 2011 & September 13, 2012 respectively, as amended from time to time, transaction charge per subscription of ₹ 10,000 and above (Ten Thousand Rupees and above) shall be charged to the Investors and shall be payable to the distributors (who have not opted out of charging the transaction charge) in respect of the applications routed through distributor relating to purchase of the Units, subject to the following:

- For Existing Investors: ₹ 100/- (One Hundred Rupees) per subscription of ₹ 10,000 and above (Ten Thousand Rupees and above).
- For New Investors: ₹ 150/- (One Hundred Fifty Rupees) per subscription of ₹ 10,000 and above (Ten Thousand Rupees and above).
- There shall be no transaction charge on subscriptions below ₹ 10,000/- (Ten Thousand Rupees).
- There shall be no transaction charge on transactions other than purchases/subscriptions relating to new inflows.
- There shall be no transaction charge on direct investments.

The distributors have the option to either opt in or opt out of levying the transaction charge based on the type of product / scheme.

The transaction charges as mentioned above for applications routed through distributors who have not opted out of the charging the transaction charge shall be deducted by the AMC from the subscription amount of the Unit Holder and paid to the distributors and the balance shall be invested in the Scheme.

It is also clarified that as per SEBI circular no. SEBI/IMD/CIR No. 4/168230/09, dated June 30, 2009, upfront commission to distributors shall continue to be paid by the investor directly to the distributor by a separate cheque based on his assessment of various factors including the service rendered by the distributor.

I. INTRODUCTION

A. RISK FACTORS:

Standard Risk Factors:

- Investment in mutual fund units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- Mutual funds and securities investments are subject to market risks and there is no assurance or guarantee against loss in the Scheme or that the Scheme's objective will be achieved.
- As the price / value / interest rate of the Securities in which the Scheme invests fluctuates, the value of a Unit Holder's investment in the Scheme may go up or down.
- As with any investment in securities, the NAV of the Units can go up or down depending on various factors and forces affecting capital markets.
- Past performance of the Sponsor / AMC / Mutual Fund does not indicate the future performance of the Scheme.
- Investors in the Scheme are not being offered a guaranteed or assured rate of return.
- Edelweiss Corporate Bond Fund is the name of the Scheme, and does not in any manner indicate the quality of the Scheme or its future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of ₹ 1,00,000/- (One Lakh Rupees only) made by it towards setting up the Mutual Fund.

Scheme Specific Risk Factors:

Risk associated with investing in Bonds and Debt Securities

- The NAV of the Scheme, to the extent invested in Debt Securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme would be expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates
- Debt Securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the investment by the Scheme and may lead to the Scheme incurring losses until the Security is sold. Debt Securities are subject to the risk of the issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.
- The AMC may, considering the overall level of risk of the portfolio, invest in lower rated Debt Securities offering higher yields.
- The liquidity of investments made by the Scheme may be restricted by trading volumes and settlement periods. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances. The Trustee has the right, in its sole discretion, to limit redemptions (including suspending redemptions) under certain circumstances. There may be temporary periods when the monies of the Scheme are un-invested and no return is earned thereon. The inability of the Scheme to make intended Securities purchases, due to settlement problems, could cause the Scheme to miss certain investment opportunities. By the same token, the inability to sell Debt Securities held in the Scheme's portfolio due to the absence of a well developed and liquid secondary market

for Debt Securities could result, at times, in potential losses to the Scheme, should there be a subsequent decline in the value of the Debt Securities held in the Scheme's portfolio.

- The liquidity and valuation of a Scheme's investments due to its respective holdings of unlisted Debt Securities may be affected if they have to be sold prior to their target date of divestment.
 - Debt Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to Debt Securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted Debt Securities that offer attractive yields within regulatory limits. This may however increase the risk of the portfolio. Additionally, the liquidity and valuation of the Scheme's investment due to its holdings of the unlisted Securities may be affected if they have to be sold prior to the target date of investment.
 - While Debt Securities that are listed on a stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. Money Market Instruments, while fairly liquid, lacks a well-developed secondary market, which may restrict the selling ability of a Scheme and may lead to the Scheme incurring losses till the Security is finally sold.
 - Debt Securities, as well as Money Market Instruments, are subject to the risk of an issuer's inability to meet interest and principal payments on its debt obligations (credit risk) and market perception of the creditworthiness of the issuer of instruments. These securities may also be subject to price volatility due to factors such as, amongst others, changes in interest rates, general level of market liquidity and market perception of the creditworthiness of the issuer (market risk). The AMC will endeavour to manage credit risk through in-house credit analysis. The Scheme may also, but is not obliged to, use various hedging products from time to time, as are available and permitted by SEBI, to attempt to reduce the impact of undue market volatility on a Scheme's portfolio. There is no guarantee that hedging techniques will achieve the desired result.
- The investments made by the Scheme are subject to reinvestment risk. This risk refers to the interest rate levels at which cash flows received from the Debt Securities in the Scheme are reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
- The NAV of the Scheme's Units, will be affected by changes in the general level of interest rates. When interest rates decline, the value of a portfolio of fixed income Securities can be expected to rise. Conversely, when interest rates rise, the value of a portfolio of fixed income Securities can be expected to decline
 - To the extent the Scheme's investments are in floating rate debt instruments or fixed debt instruments swapped for floating rate return, they will be affected by interest rate movement (basis risk) - coupon rates on floating rate securities are reset periodically in line with the benchmark index movement. Normally, the interest rate risk inherent in a floating rate instrument is limited compared to a fixed rate instrument. Changes in the prevailing level of interest rates will likely affect the value of a Scheme's holdings until the next reset date and thus the value of the Units of such Scheme. The value of Debt Securities held by a Scheme generally will vary inversely with changes in prevailing interest rates. Scheme could be exposed to interest rate risk:

- (i) due to the time gap in the resetting of the benchmark rates, and
- (ii) to the extent the benchmark index fails to capture interest rate changes appropriately (spread risk): though the basis (i.e. benchmark) gets readjusted on a regular basis, the spread (i.e. markup) over benchmark remains constant. This can result in some volatility to the holding period return of floating rate instruments.

- **Settlement Risk (counterparty risk):** Specific floating rate assets may also be created by swapping a fixed return into a floating rate return. In such a swap, there is the risk that the counterparty (who will pay the floating rate return and receive the fixed rate return) may default;
- **Liquidity Risk:** The market for floating rate Securities is still in its evolutionary stage and therefore may render the market illiquid from time to time, in relation to such Securities that the Scheme is invested in.
- **Prepayment Risk:** The borrower / issuer of security may prepay the receivables prior to their respective due dates. This may result in change in the yield and tenor for the investments of the Scheme.
- Different types of Securities in which the Scheme may invest as described in this SID carry different levels and types of risk. Accordingly the Scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government of India Securities. Further even among corporate bonds, bonds which are rated AAA are comparatively less risky than bonds which are AA rated.
- Investing in corporate bond carries high risk as compared to investment in government securities. As a general rule, to earn the higher returns, you have to take greater risk.
- The corporate bonds are unsecured (that is, they are not secured against company property)

Risks associated with investing in Money Market Instruments

- Investments in Money Market Instruments would involve a moderate credit risk, i.e. risk of an issuer's inability to meet the principal payments.
- Money Market Instruments may also be subject to price volatility due to factors such as changes in interest rates, general level of market liquidity and market perception of credit worthiness of the issuer of such instruments.
- The NAV of Units, to the extent that the Scheme is invested in Money Market Instruments, will be affected by changes in the level of interest rates. When interest rates in the market rise, the value of a portfolio of Money Market Instruments can be expected to decline.

Risks associated with investing in Derivatives

The Scheme may use derivatives in connection with its investment strategies.

- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in Securities and other traditional investments. Derivatives may be riskier than other types of investments because they may be more sensitive to changes in economic or market conditions than other types of investments and could result in losses that significantly exceed the Scheme's original investment. Certain derivatives may give rise to a form of

leverage. As a result, the Scheme may be more volatile than if the Scheme had not been leveraged because the leverage tends to exaggerate the effect of any increase or decrease in the value of the Scheme's portfolio.

- The Scheme may invest in derivative products in accordance with and to the extent permitted under the SEBI Regulations. The use of derivatives requires an understanding of the underlying instruments and the derivatives themselves. The risk of investments in derivatives includes mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Trading in derivatives carries a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount.
- The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limits or circuit breakers / filters, the Scheme may face a liquidity issue.
- The option buyer's risk is limited to the premium paid, while the risk of an option writer is unlimited. However, the gains of an option writer are limited to the premiums earned. All option positions will have underlying assets in case of the Scheme; all losses due to price-movement beyond the strike price will actually be an opportunity loss.
- The relevant stock exchange may impose restrictions on exercise of options and may also restrict the exercise of options at certain times in specified circumstances.
- The writer of a put option bears the risk of loss if the value of the underlying asset declines below the exercise price. The writer of a call option bears a risk of loss if the value of the underlying asset increases above the exercise price.
- Investments in index futures face the same risk as investments in a portfolio of shares or Securities representing an index. The extent of loss is the same as in the underlying shares or Securities.
- The Scheme bears a risk that the fund managers may not be able to correctly forecast future market trends or the value of assets, indexes or other financial or economic factors in establishing derivative positions for the Scheme.
- The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets.
- As and when the Scheme trades in derivative products, there are risk factors and issues concerning the use of derivatives that investors should understand. Derivatives require the maintenance of adequate controls to monitor such transactions and the embedded market risks that a derivative adds to the portfolio.

Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives.

Risk factors associated with investment in ADRs/GDRs and Foreign Securities:

Subject to necessary regulatory approvals and within the investment objectives of the Scheme, the Scheme may invest in overseas markets which carry risks related to fluctuations in the foreign exchange rates, the nature of the securities market of the country, repatriation

of capital due to exchange controls and political circumstances. It is AMC's belief that investment in foreign securities offer new investment and portfolio diversification opportunities into multi-market and multicurrency products. However, such investments also entail additional risks. Such investment opportunities may be pursued by AMC provided they are considered appropriate in terms of the overall investment objectives of the Scheme. Since the Scheme may invest only partially in foreign securities, there may not be readily available and widely accepted benchmarks to measure performance of the Scheme.

Similar to domestic debt securities, investment in overseas debt instruments is subject to Market Risk, Credit Risk, Interest Rate risk and liquidity risk. In addition to those, investments in foreign debt securities may carry the following risk factors:

- To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee.
- Nature of the securities market of the country
- Uncertain political circumstances in the country in which the Scheme has foreign securities exposure leading to repatriation of capital and exchange controls

To manage risks associated with foreign currency and interest rate exposure, the Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by the Regulations/RBI. Depending on the fund manager's view and the investment strategy undertaken, the Scheme may decide to cover the currency risk fully or partly or may even let it remain uncovered.

Currency Risk is a form of risk that arises from the change in price of one currency against another. The exchange risk associated with a foreign denominated instrument is a key element in foreign investment. This risk flows from differential monetary policy and growth in real productivity, which results in differential inflation rates. The risk arises because currencies may move in relation to each other.

Other risks in using derivatives include but are not limited to:

- (a) Credit Risk:** This occurs when a counterparty defaults on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counterparty at the then prevailing (possibly unfavourable) market price, in order to maintain the validity of the hedge.
- (b) Market Liquidity Risk:** This is where the derivatives cannot be sold (unwound) at prices that reflect the underlying assets, rates and indices.
- (c) Model Risk:** This is the risk of mis-pricing or improper valuation of derivatives.
- (d) Basis Risk:** This is when the instrument used as a hedge does not match the movement in the instrument / underlying asset being hedged. The risks may be inter-related also; for e.g. interest rate movements can affect equity prices, which could influence specific issuer / industry assets.

Risks associated with investing in Securitized Debt

Generally available asset classes for securitization in India:

- Commercial vehicles
- Auto and two wheeler pools
- Mortgage pools (residential housing loans)

- Personal loan, credit card and other retail loans
- Corporate loans / receivables

In terms of specific risks attached to securitization, each asset class would have different underlying risks, however, residential mortgages typically have lower default rates as an asset class. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is normally easier and better compared to mortgages. Some of the asset classes such as personal loans, credit card receivables etc., being unsecured credits in nature, may witness higher default rates. As regards corporate loans / receivables, depending upon the nature of the underlying security for the loan or the nature of the receivable the risks would correspondingly fluctuate. However, the credit enhancement stipulated by rating agencies for such asset class pools is typically much higher and hence their overall risks are comparable to other AAA or equivalent rated asset classes.

Some of the factors, which are typically analyzed for any pool, are as follows:

Size of the loan: this generally indicates the kind of assets financed with loans. Also indicates whether there is excessive reliance on very small ticket size, which may result in difficult and costly recoveries. To illustrate, the ticket size of housing loans is generally higher than that of personal loans. Hence in the construction of a housing loan asset pool for say ₹ 1,00,00,000/- (One Crore Rupees) it may be easier to construct a pool with just 10 housing loans of ₹ 10,00,000/- (Ten Lakh Rupees) each rather than to construct a pool of personal loans as the ticket size of personal loans may rarely exceed ₹ 5,00,000/- (Five Lakh Rupees) per individual.

Average original maturity of the pool: this indicates the original repayment period and whether the loan tenors are in line with industry averages and borrower's repayment capacity. To illustrate, in a car pool consisting of 60 month contracts, the original maturity and the residual maturity of the pool viz. number of remaining installments to be paid gives a better idea of the risk of default of the pool itself. If in a pool of 100 car loans having original maturity of 60 months, more than 70% of the contracts have paid more than 50% of the monthly installments and if no default has been observed in such contracts, this pool should have a lower probability of default than a similar car loan pool where 80% of the contracts have not yet paid 5 installments.

LTV: indicates how much of the value of the asset is financed by borrower's own equity. The lower the LTV, the better it is. This ratio stems from the principle that where the borrower's own contribution of the asset cost is high, the chances of default are lower. To illustrate: for a truck costing ₹ 20 lakhs, if the borrower has himself contributed ₹ 10 lakhs and has taken ₹ 10 lakhs as a loan, he is going to have lesser propensity to default as he would lose an asset worth ₹ 20 lakhs if he defaults in repaying an installment. This is as against a borrower who may meet only ₹ 2 lakhs out of his own equity for a truck costing ₹ 20 lakhs. Between the two scenarios given above, as the borrower's own equity is lower in the latter case, it would typically have a higher risk of default than the former.

Average seasoning of the pool: this indicates whether borrowers have already displayed repayment discipline. To illustrate, in the case of a pool of personal loans, if a pool of assets consist of borrowers who have already repaid 80% of the installments without default, the probability of default is lower than for a pool where only 10% of installments have been repaid.

Default rate distribution: this indicates how much % of the pool and overall portfolio of the originator is current, how much is in 0-30 DPD (days past due), 30-60 DPD, 60-90 DPD and so on. The rationale here is that, as against 0-30 DPD, the 60-90 DPD is a higher risk category.

Unlike in plain vanilla instruments, in securitization transactions it is possible to work towards a target credit rating, which could be much higher than the originator's own credit rating.

In the Indian scenario, also, more than 95% of issuances have been AAA or equivalent rated issuances indicating the strength of the underlying assets as well as adequacy of credit enhancement.

Investment exposure of the Scheme with reference to Securitized Debt

- The Scheme will predominantly invest only in those securitization issuances which have AAA or equivalent rating indicating the highest level of safety from credit risk point of view at the time of making an investment. The Scheme will not invest in foreign securitized debt.
- The Scheme may invest in various types of securitization issuances, including but not limited to asset backed securitization, mortgage backed securitization, personal loan backed securitization, collateralised loan obligation / collateralized bond obligation and so on.
- The Scheme does not propose to limit its exposure to only one asset class or to have asset class based sub-limits as it will primarily look towards the AAA or equivalent rating of the offering.
- The Scheme will conduct an independent due diligence on the cash margins, collateralisation, guarantees and other credit enhancements and the portfolio characteristic of the securitization to ensure that the issuance fits into the overall objective of the investment in high investment grade offerings irrespective of underlying asset class.

Risks associated with investing in Securitized Papers

- Types of securitized debt vary and carry different levels and types of risks. Credit risk on securitized bonds depends upon the originator and varies depending on whether they are issued with recourse to the originator or otherwise. Even within securitized debt, AAA or equivalent rated securitized debt offers lesser risk of default than AA rated securitized debt. A structure with recourse will have a lower credit risk than a structure without recourse.
- As underlying assets in securitized debt may assume different forms and the general types of receivables include auto finance, credit cards, home loans or any such receipts, credit risks relating to these types of receivables depend upon various factors including macro economic factors of these industries and economies. Specific factors like nature and adequacy of property mortgaged against these borrowings, nature of loan agreement / mortgage deed in case of home loan, adequacy of documentation in case of auto finance and home loans, capacity of borrower to meet its obligation on borrowings in case of credit cards and the intention of the borrower influence the risks relating to the asset borrowings underlying the securitized debt.
- Changes in market interest rates and pre-payments may not change the absolute amount of receivables for the investors, but may have an impact on the reinvestment of the periodic cash flows that the investor receives in the securitized paper.

Limited Liquidity & Price Risk

Presently, the secondary market for securitized papers is not very liquid. There is no assurance that a deep secondary market will develop for such securities. This could limit the ability of the Scheme to resell them. Even if a secondary market develops and sales were to take place, these secondary transactions may be at a discount to the initial issue price due to changes in the interest rate structure.

Risks due to possible prepayments: Weighted Tenor / Yield

Asset securitization is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments. Full prepayment of underlying loan contract may arise under any of the following circumstances:

- obligor pays the receivable due from him at any time prior to the scheduled maturity date of that receivable; or
- receivable is required to be repurchased by the seller consequent to its inability to rectify a material misrepresentation with respect to that receivable; or
- the servicer recognizing a contract as a defaulted contract and hence repossessing the underlying asset and selling the same.
- In the event of prepayments, investors may be exposed to changes in tenor and yield.

Bankruptcy of the originator or seller

If the originator becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the sale from originator to the trust created for the purposes of securitization process was not a sale then the Scheme could experience losses or delays in the payments due. All possible care is generally taken in structuring the transaction so as to minimize the risk of the sale to the trust created for the purposes of securitization process not being construed as a "True Sale". Legal opinion is normally obtained to the effect that the assignment of receivables to the trust created for the purposes of securitization process for the benefit of the investors, as envisaged herein, would constitute a true sale.

Bankruptcy of the investor's agent

If an investor's agent becomes subject to bankruptcy proceedings and the court in the bankruptcy proceedings concludes that the recourse of the investor's agent to the assets / receivables is not in its capacity as agent / bankruptcy trustee but in his personal capacity, then an investor could experience losses or delays in the payments due under the swap agreement. All possible care is normally taken in structuring the transaction and drafting the underlying documents so as to provide that the assets / receivables if and when held by an investor's agent is held as agent and in trust for the investors and shall not form part of the personal assets of the investor's agent. Legal opinion is normally obtained to the effect that the investors agent's recourse to assets / receivables is restricted in his capacity as agent and trustee and not in its personal capacity.

Credit Rating of the Transaction / Certificate

The credit rating is not a recommendation to purchase, hold or sell the certificate evidencing title to the securitized debt in as much as the ratings do not comment on the market price of the certificate or its suitability to a particular investor. There is no assurance by the rating agency either that the rating will remain at the same level for any given period of time or that the rating will not be lowered or withdrawn entirely by the rating agency.

Risk of Co-mingling

The servicers normally deposit all payments received from the obligors into the collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the loan agreements may not be segregated from other funds of the servicer. If the servicer fails to remit such funds belonging to the investors, the investors may be exposed to a potential loss. Due care

is normally taken to ensure that the servicer enjoys the highest credit rating on a standalone basis to minimize co-mingling risk.

Key terms associated with Securitized Debt

1. **Special Purpose Vehicle (“SPV”)** - An SPV is created to hold title to assets underlying securities. The SPV is the entity, which would typically buy the assets (to be securitized) from the originator. The SPV is generally a low-capitalised entity with narrowly defined purposes and activities, and usually has independent trustees / directors. As one of the main objectives of securitization is to remove the assets from the balance sheet of the originator, the SPV plays a very important role in as much as it holds the assets in its books and makes the upfront payment for them to the originator.
2. **Originator** – An originator is the entity on whose books the assets to be securitized exist. An originator is the prime mover of the deal i.e. it sets up the necessary structures to execute the deal. The originator sells the assets on its books and receives the funds generated from such sale. In a true sale, the originator transfers both the legal and the beneficial interest in the assets to the SPV.
3. **Obligor** – An obligor is the originator’s debtor (borrower of the original loan). The amount outstanding from the obligor is the asset that is transferred to the SPV. The credit standing of the obligor is of paramount importance in a securitization transaction.
4. **Rating Agency** - Since the investors take on the risk of the asset pool rather than the originator, an external credit rating plays an important role. The rating process would assess the strength of the cash flow and the mechanism designed to ensure full and timely payment by the process of selection of loans of appropriate credit quality, the extent of credit and liquidity support provided and the strength of the legal framework.
5. **Administrator or Servicer:** It collects the payment due from the obligor and passes it on to the SPV, follows up with delinquent borrowers and pursues legal remedies available against the defaulting borrowers. Since it receives the installments and pays it to the SPV; it is also called the Receiving and Paying Agent.
6. **Agent and Trustee:** It accepts the responsibility for overseeing that all the parties to the securitization deal perform in accordance with the securitization trust agreement. Basically, it is appointed to look after the interest of the investors.
7. **Structurer:** Normally, an investment banker is responsible as structurer for bringing together the originator, credit enhancers, the investors and other partners to a securitization deal. It also works with the originator and helps in structuring deals.

Securitized Assets: Securitization is a structured finance process which involves pooling and repackaging of cashflow producing financial assets into securities that are then sold to investors. They are termed as Asset Backed Securities (“ABS”) or Mortgage Backed Securities (“MBS”). ABS are backed by other assets such as credit card, automobile or consumer loan receivables, retail installment loans or participations in pools of leases. Credit support for these securities may be based on the underlying assets and / or provided through credit enhancements by a third party. MBS is an asset backed security whose cash flows are backed by the principal and interest payments of a set of mortgage loans. Such mortgage could be either residential or commercial properties. ABS / MBS instruments reflect the undivided interest in the underlying assets and do not represent

the obligation of the issuer of ABS / MBS or the originator of underlying receivables. Securitization often utilizes the services of an SPV.

Pass through Certificate (“PTC”)

PTC represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

The following are certain additional disclosures with respect to investment in securitized debt:

1. How the risk profile of securitized debt fits into the risk appetite of the scheme

Securitized debt is a form of conversion of normally non tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues PTCs. These PTCs are transferable securities with fixed income characteristics. The risk of investing in securitized debt is similar to that of investing in Debt Securities except that it differs in two respects. Typically the liquidity of securitized debt is less than similar Debt Securities. For certain types of securitized debt (backed by mortgages, personal loans, credit card debt, etc.), there is an additional pre-payment risk. Pre-payment risk refers to the possibility that loans are repaid before they are due, which may reduce returns if the re-investment rates are lower than initially envisaged. Because of these additional risks, securitized debt typically offers higher yields than Debt Securities of similar credit rating and maturity. If the fund manager judges that the additional risks are suitably compensated by higher returns, he may invest in securitized debt up to 50% of the net assets of the Scheme.

2. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc.

The originator is the person who has initially given the loan. The originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). An analysis of the originator is especially important in case of retail loans, as this affects the credit quality and servicing of the PTC. The key risk is that of the underlying assets and not of the originator. For example, loss or performance of earlier issuances does not indicate quality of current series. However such past performance may be used as a guide to evaluate the loan standards, servicing capability and performance of the originator. Originators may be banks, Non Banking Finance Companies, Housing Finance Companies, etc. The fund manager / credit analyst evaluates originators based on the following parameters:

- Track record
- Willingness to pay, through credit enhancement facilities etc.
- Ability to pay
- Business risk assessment, wherein following factors are considered:
 - Outlook for the economy (domestic and global)
 - Outlook for the industry
 - Company specific factors

In addition, a detailed review and assessment of rating rationale is done, including interactions with the originator as well as the credit rating agency.

The following additional evaluation parameters are used as applicable for the originator / underlying issuer for pool loan and single loan securitization transactions:

- Default track record/ frequent alteration of redemption conditions / covenants.
- High leverage ratios of the ultimate borrower (for single-sell downs) - both on a standalone basis as well on a consolidated level/ group level.
- Higher proportion of re-schedulement of underlying assets of the pool or loan, as the case may be.
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be.
- Poor reputation in market.
- Insufficient track record of servicing of the pool or the loan, as the case may be.

3. Risk mitigation strategies for investments with each kind of originator

An analysis of the originator is especially important in case of retail loans as the size and reach affect the credit quality and servicing of the pass through certificates. In addition, the quality of the collection process, infrastructure and follow-up mechanism; quality of management information system; and credit enhancement mechanism are key risk mitigants for the better originators / servicers. In case of securitization involving single loans or a small pool of loans, the credit risk of the underlying borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to

determine the credit risk. The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of evaluating the performance potential of the PTC.

Securitization transactions may include some risk mitigants (to reduce credit risk). These may include interest subvention (difference in interest rates on the underlying loans and the PTC serving as margin against defaults), overcollateralization (issue of PTCs of lesser value than the underlying loans, thus even if some loans default, the PTC continues to remain protected), presence of an equity / subordinate tranche (issue of PTCs of differing seniority when it comes to repayment the senior tranches get paid before the junior tranche) and / or guarantees.

4. The level of diversification with respect to the underlying assets and measures for less diversified investments

In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk. The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of judging the performance potential of the PTC. Additional risk mitigants may include interest subvention, over collateralization, presence of an equity / subordinate tranche and / or guarantees. The credit analyst also uses analyses by credit rating agencies on the risk profile of the securitized debt.

Currently, the following parameters are intended to be used while evaluating investment decision relating to a pool securitization transaction. These parameters may be revised from time to time.

Characteristics / Type of Pool	Mortgage Loan	Commercial Vehicle and Construction Equipment	CAR	2 wheelers	Micro Finance Pools *	Personal Loans *	Single Sell Downs	Others

NA - Not Applicable

* Currently, the Scheme will not invest in these types of securitized debt.

Note 1: In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. The investment limits applicable to the underlying borrower are applied to the single loan sell-down.

Note 2: Other investments will be decided on a case-to-case basis.

The credit analyst may consider the following risk mitigating measures in his analysis of the securitized debt:

- Size of the loan
- Average original maturity of the pool
- Loan to value Ratio
- Average seasoning of the pool
- Default rate distribution
- Geographical distribution
- Credit enhancement facility
- Liquid facility
- Structure of the pool

5. Minimum retention period of the debt by originator prior to securitization

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the “true sale” criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum holding period of between nine and twelve months for assets before they can be securitized. The minimum holding period depends on the tenor of the securitization transaction. The Scheme will invest in securitized debt that is compliant with the laws and regulations as applicable.

6. Minimum retention percentage by originator of debts to be securitized

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the “true sale” criteria including credit enhancement and liquidity enhancements, including maximum exposure by the originator in the pass through certificates. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. The minimum retention requirement depends on the tenor and structure of the securitization transaction. The Scheme will invest in securitized debt that is compliant with the laws and regulations as applicable.

7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the mutual fund

The key risk is securitized debt relates to the underlying borrowers and not the originator. In a securitization transaction, the originator is the seller of the debt(s) and the Scheme is the buyer. However, the originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). As the originators may also invest in the Scheme, the fund manager shall ensure that the investment decision is based on parameters for securitized debt.

8. The resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt

The fund management team has the experience to analyze securitized debt. In addition, credit research agencies provide analysis of individual instruments and pools. On an on-going basis (typically monthly) the servicer provides reports regarding the performance of the pool. These reports would form the base for ongoing evaluation where applicable. In addition, rating reports indicating rating changes would be monitored for changes in rating agency opinion of the credit risk.

9. Investments in securitized debt instruments will be reported in the half-yearly portfolio of the Scheme, annual financial results for the Scheme, and mentioned in the portfolio uploaded on the website. Necessary reporting will be done to the Investment Committee of the AMC and to the Trustee of the Scheme at their meetings.

Risk Factors Associated with Investments in REITs and InvITs:

- **Market Risk:** REITs and InvITs are volatile and prone to price fluctuations on a daily basis owing to market movements. Investors may note that AMC/Fund Manager’s investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. The NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, settlement periods and transfer procedures.

- **Liquidity Risk:** As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.
- **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.

The above are some of the common risks associated with investments in REITs & InvITs. There can be no assurance that a Scheme’s investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

Other Risks

- Investments in the Scheme made in foreign currency by a Unit Holder are subject to the risk of fluctuation in the value of Indian Rupee.

Restrictions on Redemptions:

As outlined in Section III-B - ‘Restrictions on Redemptions’ the Trustee and the AMC may impose restrictions on redemptions when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets.

Accordingly, such restriction may affect the liquidity of the Scheme and there may be a delay in investors receiving part of their redemption proceeds.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 (twenty) investors and no single investor shall account for more than 25% of the corpus of the Scheme. However, if such requirement is not satisfied during the NFO of the Scheme, the Mutual Fund will endeavour to ensure that within a period of 3 (three) months from the start of the NFO, or by the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme does not have a minimum of 20 (twenty) investors in the stipulated period, the provisions of Regulation 39(2) (c) of the SEBI Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the Units would be redeemed at Applicable NAV. The two conditions mentioned above shall also be complied with within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI.

If there is a breach of the 25% limit by any investor over the calendar quarter, a rebalancing period of 1 (one) month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 (fifteen) days notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 (fifteen) days would lead to automatic Redemption by the Mutual Fund at the Applicable NAV on the 15th day of the notice period without any Exit Load. The Mutual Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C. SPECIAL CONSIDERATIONS, IF ANY

- The Sponsor, Edelweiss Financial Services Limited, is not responsible or liable for any loss resulting from the operation

of the Scheme beyond the initial contribution of an amount of ₹ 1,00,000/- (One Lakh Rupees only) made by it towards setting up the Mutual Fund or such other accretions and additions to the initial corpus set up by the Sponsor. The associates of the Sponsor are not responsible or liable for any loss or shortfall resulting from the operation of the Scheme.

- Neither this SID nor the Units have been filed / registered in any jurisdiction other than India. The distribution of this SID in certain jurisdictions may be restricted or totally prohibited and accordingly, persons who come into possession of this SID are required to inform themselves about, and to comply with, any such restrictions.
 - Before making an application for Units, prospective investors should review / study this SID and the SAI carefully and in their entirety and should not construe the contents hereof or regard the summaries contained herein as advice relating to legal, taxation, or financial / investment matters. Investors should consult their own professional advisor(s) as to the legal, tax or financial implications resulting from -
 - i. Subscription, gifting, acquisition, holding, disposal (by way of sale, switch or Redemption or conversion into money) of Units and
 - ii. to the treatment of income (if any), capitalization, capital gains, any distribution, and other tax consequences relevant to their subscription, acquisition, holding, capitalization, disposal (by way of sale, transfer, switch, Redemption or conversion into money) of Units within their jurisdiction or under the laws of any jurisdiction to which they may be subject to possible legal, tax, financial or other consequences.
 - None of the Mutual Fund, the AMC nor the Sponsor have authorized any person to give any information or make any representations, either oral or written, not stated in this SID in connection with issue of Units under the Scheme. Prospective investors are advised not to rely upon any information or representations not incorporated in this SID as the same have not been authorized by the Mutual Fund, the AMC or the Sponsor. Any Purchase or Redemption made by any person on the basis of statements or representations which are not contained in this SID or which are inconsistent with the information contained herein shall be solely at the risk of the investor.
 - Mutual funds or schemes managed by the affiliates / associates of the Sponsor may invest either directly or indirectly in the Scheme. The mutual funds or schemes so managed by these affiliates/associates may acquire a substantial portion of the Units and collectively constitute a major investment in the Scheme. Accordingly, Redemption of Units held by such affiliates /associates may have an adverse impact on the value of the Units of the Scheme because of the timing of any such Redemption and may affect the ability of other Unit Holders to redeem their respective Units.
 - Mutual funds invest in securities which may not always be profitable and there can be no guarantee against loss to the investors resulting from investing in the Scheme.
 - The tax benefits described in this SID are as available under the prevailing taxation laws. Investors / Unit Holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit Holder is advised to consult his own professional tax advisor.
 - The Scheme's value may be impacted by fluctuations in the bond markets, fluctuations in interest rates, prevailing political, economic and social environments, changes in government policies and other factors specific to the issuer of the securities, tax laws, liquidity of the underlying instruments, settlement periods and trading volumes etc.
 - Redemptions due to a change in the fundamental attributes of the Scheme or due to any other reason may entail tax consequences. Such taxes, if any, shall be borne by the investor in the Scheme and the Scheme, the Mutual Fund and the AMC shall not be liable for any tax consequences that may arise.
 - In terms of the Prevention of Money Laundering Act, 2002 ("PMLA") the rules issued there under and the guidelines/circulars issued by SEBI regarding the Anti Money Laundering Laws, all intermediaries, including mutual funds, are required to formulate and implement a client identification programme, and to verify and maintain the record of identity and addresses of investors. If any necessary due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall report such transactions to competent authorities under PMLA and the circulars thereunder, further any further information in connection therewith to such authorities ad take any actions as may be required for the purposes of fulfilling its obligations under PMLA and rules/guidelines issued thereunder by SEBI and / or RBI without obtaining the prior approval of the investor/unit holder.
 - The AMC can invest in any of the Schemes of Edelweiss Mutual Fund subject to the limits as prescribed by the SEBI Regulations and in such cases it will not be entitled to charge any fees on such investments. The Sponsor, entities managed or sponsored by the affiliates or associates of the Sponsor, Funds managed/ advised by the Sponsor/and their associated entities, the asset management company, the Custodian, the Registrar, any Associate, any Distributor, Dealer, any Company, Corporate Bodies, Trusts, any Service Provider, investor (resident or non resident), any Scheme / Mutual Fund managed by the Asset Management Company or by any other Asset Management Company may invest in this Scheme, subject to the limits specified by SEBI. While at all times the Trusteeship Company and the Asset Management Company will endeavor that excessive holding of Units in the Scheme among a few Unit holders is avoided, however, the funds invested by these aforesaid persons may acquire a substantial portion of the Scheme's outstanding Units and collectively may constitute a majority unit holder in the Scheme. Redemption of Units held by such persons may have an adverse impact on the value of the Units of the Scheme because of the timing of any such redemption. It may also have impact on the liquidity of the Scheme, which may lead to an adverse impact on the NAV of the Scheme.
 - In accordance with the SEBI Regulations, an AMC subject to certain conditions is permitted to undertake activities in the nature of portfolio management services and management and advisory services to pooled assets including offshore funds, insurance funds, pension funds, provident funds, if any of such activities are not in conflict with the activities of the Mutual Fund. Subject to these activities being assessed as desirable and economically viable, the AMC may undertake any or all of these activities after satisfying itself that there is no potential conflict of interest.
- Investors are advised to refer to the terms and conditions of the offer before investing in the Scheme, and to retain this SID and SAI for future reference.**

D. DEFINITIONS AND INTERPRETATION

Applicable NAV	The Cut-off time for each Scheme is 3.00 p.m., and the Applicable NAV will be as under:

For Purchase:

- a. Where the application is received up to 3.00 pm on a Business Day with a local cheque or demand draft payable at par at the place where it is received, with amount less than ₹ 2 Lakhs (Two Lakh Rupees).
- Closing NAV of the day of receipt of application;
- b. Where the application is received after 3.00 pm on a Business Day with a local cheque or demand draft payable at par at the place where it is received, with amount less than ₹ 2 Lakhs (Two Lakh Rupees).
- Closing NAV of the next Business Day;
- c. Where the application is received with a local cheque or demand draft payable at par at the place where it is received, with amount equal to or more than ₹ 2 Lakhs (Two Lakh Rupees) irrespective of the time of receipt of application, the closing NAV of the day on which the funds are available for utilisation shall be applicable.

For applicability of NAV of the Scheme with an amount equal to or more than ₹ 2 Lakhs (Two Lakh Rupees) the following should be noted:

- a) For allotment of units in respect of purchase in the Scheme, the following needs to be complied with:
 - i. Application is received before the applicable cut-off time.
 - ii. Funds for the entire amount of subscription/purchase as per the application are credited to the bank account of the Scheme before the cutoff time.
 - iii. The funds are available for utilization before the cut-off time without availing any credit facility whether intraday or otherwise by the respective Scheme.
- b) For allotment of units in respect of switch-in to the Scheme from other schemes, the following needs to be complied with:
 - i. Application for switch-in is received before the applicable cut-off time.
 - ii. Funds for the entire amount of subscription/purchase as per the switch-in request are credited to the bank account of the Scheme before the cutoff time.
 - iii. The funds are available for utilization before the cut-off time without availing any credit facility whether intraday or otherwise by the respective switch-in Scheme or Plans or options there under.

All transactions as per conditions given below are to be aggregated and closing NAV of the day on which funds are available for utilisation to be applied where the aggregated amount of the investment is ₹ 2.00 lakhs and above.

- a. All transactions received on the same day (as per Time stamping rules).
- b. Transactions shall include purchases, additional purchases, excluding Switches, SIP / STP and triggered transactions.
- c. Aggregations shall be done on the basis of investor/s PAN. In case of joint holding, transactions with similar holding structures to be aggregated.
- d. All transactions shall be aggregated where investor holding pattern is same as stated above, irrespective of whether the amount of the individual transaction is above or below ₹ 2.00 lakhs.
- e. Only transactions in the same scheme shall be clubbed. This will include transactions at option level (Dividend, Growth and Direct).
- f. Transactions in the name of minor received through guardian shall not be aggregated with the transaction in the name of same guardian.

The above will be applicable only for cheques / demand drafts / payment instruments payable locally in the city in which a Designated Collection Center is located. No outstation cheques will be accepted.

Note: For the avoidance of doubt, where applications are received for an amount of less than ₹ 2 Lakhs (Two Lakh Rupees) on a non-Business Day the closing NAV of the next Business Day shall be applicable.

E. INVESTMENT STRATEGY OF THE SCHEME

The Investment Manager of the Scheme will aim to adopt a Top-Down approach to investing. This approach involves analyzing macro-economic parameters affecting the bond market and sentiment of market participants. Some of these parameters include the government's economic and fiscal policies, stance of the monetary policy by the RBI, inflation and its trajectory in the near-term, Current Account Deficit, FII flows, INR's absolute and relative performance, RBI's foreign exchange management policy, banking system liquidity, credit cycle, demand-supply dynamics, health of the corporate sector, liquidity conditions in major economies, stance of monetary policies in the major economies, interest rate cycle in the major economies, etc. A careful analysis of these parameters may help the Investment Manager to form a view on the future direction of interest rates and credit spreads. Based on this, the Investment Manager will seek to create a portfolio of fixed income securities from the universe of approved credits which is likely to generate optimal risk-adjusted returns for investors over the medium-term. Once created, the Investment Manager will monitor the portfolio of fixed income securities on periodic basis and rebalance, if required, to ensure that the Scheme is positioned to benefit from the Investment Manager's views on interest rates.

The Investment Manager will seek to evaluate the credit risk of each instrument by analyzing key factors such as outlook for the sector, reputation and track record of the management, careful analysis of recent financial, operating and credit metrics, news flows as well as external rating opinions. This will help the Investment Manager in gaining a perspective on the credit spreads and exposures.

The Investment Manager will seek to evaluate the credit risk of each instrument by analyzing key factors such as outlook for the sector, reputation and track record of the management, careful analysis of recent financial, operating and credit metrics, news flows as well as external rating opinions. This will help the Investment Manager in gaining a perspective on the credit spreads and exposures. Credit Evaluation Policy

The transparent and proven fixed income investment process starts with an identification of portfolio objectives with respect to income/total return, time horizon, risk tolerance and diversification. These determine the range of permitted investments with respect to maturity, interest rate sensitivity (duration) and credit restrictions. From these inputs a portfolio strategy to best achieve the targeted risk/return is formulated. Portfolio specific inputs with respect to credit risk and liquidity in particular, enable the AMC to screen securities to select the most appropriate for inclusion in the portfolio.

The fixed income investment process combines the consistent application of a value-oriented framework with the ongoing review, monitoring and control of key portfolio characteristics. The key processes and decision factors used within these areas of emphasis are discussed in detail below.

Three key decisions drive the process.

Economic Research

The global macroeconomic research with inputs from regional global fixed income team helps to know the global trend on inflation, growth and monetary stance of central banks across the globe.

India macroeconomic research analysis like trend in inflation, liquidity and stance of RBI, growth in deposits, credit off take, index of industrial production and others helps to form a view on interest rates.

Post the analysis of the global and local economic backdrop, implication on the interest rates is analyzed which helps in building the portfolio accordingly build the portfolio.

Credit Research

The 'bottom-up' decision-making focuses on pure securities selection and seek to identify new opportunities consistent with the investment strategies and goals, as well as evaluating the creditworthiness of corporations already invested in to ensure they continue to meet the investment criteria.

Investment team participates in the investment process by finding the most attractive securities sourcing relative value ideas from fundamental credit analysis. Where there are differences between the investment team's assessments and that of the rating agencies, substantial value may be derived.

In addition, credit yield spreads are monitored against their historical averages. This process allows to anticipate changes in credit quality before they are priced into the market.

Technical Analysis

In conjunction with the economic analysis with respect to duration decision, broad interest rate trends and supply & demand relationships are identified that may influence the shape of the yield curve. As part of the investment process, risk/reward posture of every maturity along the yield curve is evaluated in an effort to identify undervalued portions of the yield curve.

For a given duration target, the yield curve strategy seeks to find optimal exposures along the yield curve. Expected returns are established via scenario analysis, which incorporates yield curve shifts, the roll-down effect and time horizon.

Duration positioning for active bond income strategies is highly dependent on investment team's views of central bank activity. If the central bank is in a tightening mode (leading to higher interest rates), the portfolio may have a particularly short duration position in order to preserve capital. Likewise, if a central bank is in a steady state or easing mode, the portfolio may be longer in duration to take advantage of both falling interest rates and the roll-down effect of a positively-sloped yield curve, which generally exists in this type of environment. Similar duration positions are implemented across all portfolios within the same strategy.

Duration is adjusted periodically, typically in small increments, to enhance returns when the market is undervalued and to protect portfolio value when the market is overvalued.

Portfolio Turnover

Portfolio turnover in the Scheme will be a function of market opportunities. Consequently it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio. The AMC will endeavor to optimize portfolio turnover to optimize risk adjusted return keeping in mind the cost associated with it. The Scheme has no explicit constraints either to maintain or limit

the portfolio turnover. Portfolio turnover will depend upon the circumstances prevalent at any time and would also depend on the extent of volatility in the market and inflows/outflows in the Scheme. The AMC will however endeavor to maintain a low portfolio turnover rate. However, the AMC will take advantage of the opportunities that present themselves from time to time because of the inefficiencies in the securities markets.

G. FUNDAMENTAL ATTRIBUTES OF THE SCHEME

Below are the fundamental attributes of the Scheme, in terms of sub regulation (15A) of Regulation 18 of the SEBI Regulations:

(i) Type of Scheme

- An open-ended debt scheme predominantly investing in AA+ and above rated corporate bonds

(ii) Investment Objective

- The main investment objective as defined in **Section II, Paragraph B** of this SID.
- The Scheme offers choice of two plans: Direct Plan and Regular Plan.
- Each Plan under the Scheme offers Growth and Dividend Option.
- The investment pattern is as set out in **Section II, Paragraph C** of this SID with an option to alter the asset allocation for a short term period on defensive considerations.

(iii) Terms of Issue

- Liquidity:** The Scheme being an open ended income scheme the Units are not proposed to be listed on any stock exchange. Units may be purchased or redeemed at NAV related prices on every Business Day on an ongoing basis. The procedure for redemption of Units on an ongoing basis is as set out in the Section III, Paragraph B of this SID. The Mutual Fund will endeavour to dispatch the Redemption proceeds within 3 (Three) Business Days from the acceptance of the Redemption request. However, in certain circumstances [outlined in Section III-B 'Restrictions on Redemptions'] restrictions on redemptions may be imposed.
- The aggregate fees and expenses charged to a Scheme are set out in Section IV, Paragraph B which are as permitted by the SEBI Regulations.
- The present Scheme is not a guaranteed or assured return scheme and hence no safety net or guarantee is provided.
- In accordance with sub regulation (15A) of Regulation 18 of the SEBI Regulations, the Trustees shall ensure that no change in the fundamental attributes of the Scheme or the Mutual Fund or fees and expenses payable or any other change which would modify the Scheme and affect the interests of Unit Holders is carried out unless:
 - A written communication about the proposed change is sent to each Unit Holder of the Scheme and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
 - The Unit Holders of the Scheme is given an option for a period of 30 (Thirty) days to exit at the prevailing NAV without any Exit Load.

H. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the Scheme is reviewed by the Investment Committee of the AMC as well as the respective Boards of the AMC and Trustee periodically. The Investment Committee is operational at the AMC level and has majority representation from the senior management of the AMC. Monthly reports on the performance of the Scheme with appropriate benchmark indices are also sent to the respective Boards of the AMC and the Trustee together with the

relative performance of the schemes of other mutual funds schemes in the same category.

The Scheme intends to invest in a diverse portfolio of investment grade debt securities predominantly in short to medium term maturities, the profile of which will be best represented by CRISIL Short Term Bond Fund Index . The Benchmark index of the Scheme shall be CRISIL Short Term Bond Fund Index.

The composition of the aforesaid benchmark is such that it is most suited for comparing performance of the Scheme.

J. WHAT ARE THE INVESTMENT RESTRICTIONS TO BE FOLLOWED BY THE SCHEME?

i) Disclosure and investment restrictions

All investments by the Scheme will be made in accordance with the investment objective, investment strategy and investment pattern described in this SID. However the following investment restrictions in accordance with and subject to the SEBI Regulations shall apply to the Scheme at the time of making the investments:

1. The scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company.

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and collateralized borrowing and lending obligations.

Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board.

Provided further that the schemes already in existence shall within an appropriate time and in the manner, as may be specified by the Board, conform to such limits.

2. Scheme shall not invest more than 10% of its net assets in Money Market Instruments of an issuer. Such limit shall not be applicable for investments in Government of India Securities, Treasury Bills and Collateralized Borrowing and Lending Obligations.
3. Transfers of investments from one scheme to another scheme in the Mutual Fund shall be made only if:
 - (a) such transfers are done at the prevailing market price for quoted instruments on spot basis. (Explanation: "spot basis" shall have the same meaning as specified by relevant stock exchange for spot transactions.)
 - (b) the Securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
4. Scheme may, without charging any additional management fees, invest in other schemes managed by the AMC or by the asset management company of any other mutual fund, provided that the aggregate inter-scheme investment made in all schemes under the same management or in schemes under the management of any such other asset management company shall not exceed 5% of the net asset value of the Mutual Fund.
5. Scheme shall buy and sell Securities on the basis of deliveries and shall in all cases of purchases, take delivery of the relevant Securities and in all cases of sale, deliver the Securities.

Provided that the Scheme may enter into derivatives transactions on a recognized stock exchange subject to such guidelines as may be specified by SEBI.

The sale of Government of India Securities already contracted for purchase shall be permitted in accordance

with the guidelines issued by RBI in this regard.

6. Pending deployment of funds of a Scheme in Securities in accordance with the terms of investment objectives of the Scheme, Scheme can invest such funds in short-term deposits of scheduled commercial banks, in accordance with the SEBI Regulations. The investments in these deposits shall be in accordance with SEBI Circular nos. SEBI/IMD/CIR No. 1/91171/07, SEBI/IMD/CIR No. 8/107311/07, SEBI/IMD/CIR No. 7/129592/08 dated April 16, 2007, October 26, 2007 and June 23, 2008, respectively and any other applicable guidelines. Further the AMC will not charge any investment management and advisory fees for placing these funds of a Scheme in short term deposits of commercial banks.
7. Scheme shall not make any investment in:
 - (a) any unlisted security of an associate or group company of the Sponsor; or
 - (b) any security issued by way of private placement by an associate or group company of the Sponsor; or
 - (c) the listed Securities of group companies of the Sponsor which are in excess of 25% of its net assets.
8. Scheme shall not make any investment in any fund of funds scheme.
9. Scheme shall not invest more than 10% of its NAV in unrated debt instruments (irrespective of residual maturity) issued by a single issuer and the total investment in such instruments shall not exceed 25% of the NAV of the Scheme. All such investments shall be made with the prior approval of the Board of the Trustee and the Board of the AMC.
10. The Scheme shall not have total exposure in a particular sector (excluding investments in Bank CDs, CBLO, G-Secs, T Bills, short term deposits of scheduled commercial banks and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 25% of the net assets of the scheme;

Provided that an additional exposure to financial services sector (over and above the limit of 25%) not exceeding 10% of the net assets of the scheme shall be allowed only by way of increase in exposure to Housing Finance Companies (HFCs);

Provided further that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/ exposure in HFCs shall not exceed 25% of the net assets of the scheme.
11. The Mutual Fund shall get the Securities purchased or transferred in the name of the Mutual Fund on account of the Scheme, wherever investments are intended to be of long-term nature.
12. No loans would be made by the Mutual Fund except as provided in the SEBI Regulations.
14. a) The Scheme shall not have total exposure in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) exceeding 20% of the net assets of the scheme. Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of Trustees.
 - b) For this purpose, a group means a group as defined under regulation 2 (mm) of SEBI (Mutual Funds) Regulations, 1996 (Regulations) and shall include an

entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

15. The Scheme may invest in the units of InvITs and REITs subject to the following:
- (a) The Fund under all its schemes shall own not more than 10% of units issued by a single issuer of InvITs and REITs; and
 - (b) The Scheme shall not invest:
 - i. more than 10% of its net assets in the units of InvITs and REITs; and
 - ii. more than 5% of its net assets in the units of InvITs and REITs issued by a single issuer.

ii) Guidelines governing investments in Securities

The AMC will follow a policy where, before any investment is made in any instrument, a research report will be prepared by the fund managers/research analyst which will analyze the instruments. The research report shall be reviewed at least on a half yearly basis. The recommendations of the research report shall not, however, be binding on the fund managers, the AMC, the Scheme or the Mutual Fund.

Any purchase which is made against the recommendations of the research recommendation shall be backed by the reasons for the same by the concerned fund managers. For investment into companies for which there is a pre existing research report that is not dated more than six months from the day of the proposed investment, the investment can be made by the fund managers directly. However, if the research report is dated more than six months without any subsequent update then a fresh report will be required.

iii) Guidelines governing investments in Government of India Securities

As per the SEBI Regulations and investment restriction guidelines issued by SEBI, the AMC will follow a policy wherein each decision of purchase/sale of Government of India Securities and Money Market Instruments shall be recorded. A weekly report relating to the portfolio of the Scheme will be reviewed by the Investment Committee of the AMC.

Investment and security selection of all kind of Debt Securities including Government of India Securities, State Government securities, and Government guaranteed debt is delegated to the fund managers with the responsibility on the fund managers to ensure conformity with the specified minimum credit rating standards for the purpose of managing credit risk and portfolio credit risk. All investments in Government of India Securities shall be done in accordance with SEBI / RBI guidelines.

iv) Investment Restrictions pertaining to debt derivatives

Derivatives products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund managers to identify such opportunities. Identification and execution of the strategies involve uncertainty and the decision of the fund managers may not always be profitable. No assurance can be given that the fund managers will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from, or possibly greater than, the risks associated with investing directly in securities and other traditional investments. In terms of Circular No. MFD.BC.191/07.01.279/1999-2000 and MPD. BC.187 /07.01.279/1999-2000 dated November 1, 1999 and July 7, 1999 respectively issued by the RBI permitting participation by mutual funds in interest rate swaps and forward rate agreements, the Scheme will use derivative instruments for the purpose of hedging and portfolio balancing.

Further, the guidelines issued by the RBI from time to time for forward rate agreements and interest rate swaps and other derivative products will be adhered to by the Scheme.

Interest Rate Swaps (“IRS”)

An IRS is an agreement between two parties to exchange stated interest obligations for an agreed period in respect of a notional principal amount. The most common form is a fixed to floating rate swap where one party receives a fixed (pre-determined) rate of interest while the other receives a floating (variable) rate of interest.

Interest Rate Futures (“IRF”)

IRF means a standardized interest rate derivative contract traded on a recognized stock exchange to buy or sell a notional security or any other interest bearing instrument or an index of such instruments or interest rates at a specified future date, at a price determined at the time of the contract.

Example of an IRF Contract Specification:

A 10 year IRF Contract will be having the following specifications:

- Underlying - 10 year coupon bearing Government of India Security
- Notional Coupon - 7.00% semi annual (day count 30 / 360)
- Contract Size - ₹ 2,00,000
- Available Contracts - Quarterly contracts expiring in the months of March, June, September and December
- Deliverable Month - From 1st of the contract expiry month to last day of contract expiry month i.e. 1 month
- Tenor - The maximum maturity of the contract is 12 months
- Last Delivery Day - Last Business Day of the month
- Trading Hours - 9.00 a.m. to 5.00 p.m.
- Limits have been placed on gross open positions of clients across all contracts at 6% of the total open interest of ₹ 300 crores, whichever is higher.
- Quotations - Similar to the price of a Gov security, having a day count convention of 30 / 360.

IRF for Hedging

Interest rate futures can also be used for hedging purpose as follows:

- Hedging for increase in interest rates: In this case a decrease in the value of the portfolio can be hedged by taking a short position. If interest rates do increase, the portfolio value will decrease but the value of the futures will increase.
- Changing duration of bond portfolio: Broadly, futures can be purchased to increase the duration of the portfolio or sold to decrease the duration of the portfolio.

Example -

A debt mutual fund can effectively use IRFs to hedge from increase

in interest rates. The fund has to short IRFs to hedge its position.

Amount Invested in 9.125% 10 Yr GSec	54,00,000.00
View	Yields likely to go up in next one month
Current Yield from Bonds	9.125%
Price	100.00
No. of bonds held	54,000.00
March Futures Price	92.0500
Settlement Date	1st October, 2009
Futures expiry	31st March, 2010
Yield on futures	8.18%
No. of contracts purchased	27.00

After 1 month

Yield on Bonds	9.852%
Price	95.4489
Loss on Bond	-2.45,759.00
Futures yield after 1 month	8.87%
Futures Price	87.8225
Profit on futures contract	2,28,245.00
Net Gain / (Loss)	-17,474.00

Note: The hedge needs to be monitored regularly to make it more effective and the hedge ratio needs to be applied to determine the number of futures contracts required to hedge the cash bond position.

A mutual fund can also hedge its corporate bond portfolio by using IRFs. However this will be a cross hedge and may not be as effective as hedging a government bond portfolio.

Forward Rate Agreement (“FRA”)

A FRA is basically a forward starting IRS. It is an agreement between two parties to pay or receive the difference between an agreed fixed rate (the FRA rate) and the interest rate (reference rate) prevailing on a stipulated future date, based on a notional principal amount for an agreed period. The only cash flow is the difference between the FRA rate and the reference rate. As is the case with IRS, the notional amounts are not exchanged in FRAs.

Example of a derivatives transaction:

Basic Structure of a Swap

Assume that the Scheme has a ₹ 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 12%) and pays the “benchmark rate” (MIBOR), which is fixed by the National Stock Exchange of India limited (NSE) or any other agency such as Reuters. This swap would effectively lock-in the rate or 12% for the next 6 months, eliminating the daily interest rate risk. This usually routed through an intermediary who runs a book and matches deals between various counterparties.

The steps will be as follows -

- Assuming the swap is for ₹ 20 crore January 1, 2014 to July 1, 2014.

The Scheme is a fixed rate receiver at 12% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).

- On January 1, 2014 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (ISDA).
- On a daily basis, the benchmark rate fixed by NSE will be tracked by them.

On July 1, 2014 they will calculate the following-

- The Scheme is entitled to receive interest on ₹ 20 crore at 12% for 184 days i.e. ₹ 1.21 crore, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.
- The counterparty is entitled to receive daily compounded call rate for 184 days & pay 12% fixed.
- On July 1, 2014, if the total interest on the daily overnight compounded benchmark rate is higher than ₹ 1.21 crore, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.
- Effectively the Scheme earns interest at the rate of 12% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 12% p.a. for 6 months on ₹ 20 crore, without borrowing for 6 months fixed.

The above example illustrates the benefits and risks of using derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

As per the above mentioned RBI circulars, mutual funds are permitted to do interest rate swaps / forward rate agreements for hedging purposes only. Accordingly, the AMC would undertake the same for similar purposes only. IRS and FRAs also have inherent credit and settlement risks. However, these risks are reduced as they are limited to the interest streams and not the notional principal amounts. Investments in derivatives will be in accordance with the SEBI Regulations / guidelines and derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, using the IRS route, it is possible to generate better returns / meet the objective of the Scheme at a lower cost. For example, if buying a two-year Mumbai Inter Bank Offer Rate based instrument and receiving the two-year swap rate yields better return than buying the two-year AAA corporate instrument, the Scheme would endeavour to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that they are likely to rise in the future.

These investment limitations / parameters as expressed (linked to the net asset / net asset value / capital) shall, in the ordinary course, apply as at the date of the most recent transaction or commitment to invest and changes do not have to be effected merely because, owing to appreciation or depreciation in value or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Trustee / AMC, any such limits would thereby be breached.

Apart from the investment restrictions prescribed under the SEBI Regulations, internal risk parameters for limiting exposure to a particular scrip or sector may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.

The Mutual Fund shall get the Securities purchased or transferred in the name of the Mutual Fund on account of the Scheme wherever investments are intended to be of a long term nature.

The Trustee / AMC may alter these above stated limitations from time to time (as also the provisions of the Trust Deed) and also to the extent the SEBI Regulations change so as to permit the Scheme to make its respective investments in the full spectrum of permitted investments in order to achieve its investment objectives.

In addition to the investment restrictions prescribed by SEBI Regulations, the AMC / the Trustee may also prescribe certain internal risk mitigating parameters / procedures from time to time to limit exposure of the Scheme in certain Securities, in order to overcome volatile market conditions.

The Mutual Fund shall make investment out of the NFO proceeds only on or after the closure of the NFO Period.

All investment restrictions shall be applicable at the time of making investment.

Investment in Foreign Securities:

In accordance with series of SEBI circulars SEBI/IMD/CIR No. 7/104753/07 dated September 26, 2007 and SEBI/IMD/CIR No.2/122577/08 dated April 8, 2008, the following conditions shall apply to the Scheme's participation in the overseas investments. Please note that the investment restrictions applicable to the Scheme's participation in overseas investments will be as prescribed or varied by SEBI or by the Trustees (subject to SEBI requirements) from time to time. The regulations pertaining to investment in ADRs/GDRs/ Foreign Securities and Overseas ETFs by Mutual Funds are currently as under: The aggregate ceiling for overseas investments are now been enhanced from US \$ 5 billion to US \$7 billion as per the Circular SEBI/IMD/CIR No. 2/122577/08 dated April 8 2008. Within the overall limit of US \$ 7 billion, Mutual Funds can make overseas investments subject to a maximum of US \$300 million per Mutual Fund. The permissible investments Mutual Funds can invest in: 1. ADRs/ GDRs issued by Indian or foreign companies 2. Equity of overseas companies listed on recognized stock exchanges overseas 3. Initial and follow on public offerings for listing at recognized stock exchanges overseas 4. Foreign debt securities in the countries with fully convertible currencies, short term as well as long term debt instruments with rating not below investment grade by accredited/registered credit rating agencies 5. Money market instruments rated not below investment grade 6. Repos in the form of investment, where the counterparty is rated not below investment grade; repos should not however, involve any borrowing of funds by Mutual Funds 7. Government securities where the countries are rated not below investment grade 8. Derivatives traded on recognized stock exchanges overseas only for hedging and portfolio rebalancing 9. Short term deposits with banks overseas where the issuer is rated not below investment grade 10. Units/securities issued by overseas Mutual Funds or unit trusts registered with overseas regulators and investing in (a) aforesaid securities, (b) Real Estate Investment Trusts (REITs) listed in recognized stock exchanges overseas or (c) unlisted overseas securities (not exceeding 10% of the net assets). 11. The Limits for Investment in Overseas Exchange Traded Funds (ETFs): The overall ceiling for investment in overseas ETFs that invest in securities is US \$1 billion subject to a maximum of US \$ 50 million per Mutual Fund.

The Regulatory restriction on the investments in Mutual Fund units upto 5% of net assets of the Fund and prohibiting charging of fees, shall not be applicable to investments in Mutual Funds in foreign countries made in accordance with SEBI Guidelines. However, the

management fees and other expenses charged by the Mutual Fund in foreign countries along with the management fee and recurring expenses charged to the domestic Mutual Fund Scheme shall not exceed the total limits on expenses as prescribed under Regulation 52(6). Where the Scheme is investing only a part of the net assets in the foreign Mutual Fund(s), the same principle shall be applicable for that part of investment. The overseas securities markets offer new investment and portfolio diversification opportunities by enabling investments in the overseas markets. However, such investments also entail additional risks. Such investment opportunities may be pursued by the Mutual Fund provided they are considered appropriate in terms of the overall investment objectives of the Scheme. The Scheme may then, appoint a Dedicated Fund Manager to manage the Overseas Investments & if necessary, seek applicable permission from SEBI and RBI to invest abroad in accordance with the investment objectives of the Scheme and in accordance with any guidelines issued by SEBI/ RBI from time to time. These investments shall be made subject to any/all approvals, conditions thereof as may be stipulated by SEBI/ RBI and provided such investments do not result in expenses to the Scheme in excess of the ceiling, if any, on expenses prescribed by SEBI for offshore investment, and if no such ceiling is prescribed by SEBI, the expenses to the Scheme shall be limited to the level which, in the opinion of the Trustee, is reasonable and consistent with costs and expenses attendant to international investing. The Scheme may, where necessary, appoint other specialized agencies and service providers associated with such investments such as advisors, custodian/sub-custodians, brokers, etc., of adequate expertise, in order to enable the AMC to administer such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses. The fees and expenses would illustratively include, besides custody fees and costs, fees of appointed overseas advisors, transaction costs and overseas regulatory costs.

K. POSITION OF DEBT MARKETS IN INDIA

India's bond market has witnessed a rapid growth in the last five years. Its total market capitalization was estimated to be around ₹ 112 trillion (\$1.72 trillion) as on December 31, 2017 according to the RBI, SEBI and CCIL data.

India's bond market comprises mainly of sovereign bonds, corporate bonds and money market assets. Sovereign bonds are further divided into bonds issued by the central government bonds and bonds issued by state governments. Market capitalization of bonds issued by the central government was around ₹ 53.6 trillion as on March 15, 2018 according to CCIL data. While market capitalization of bonds issued by various states was estimated to be around ₹ 22 trillion as on Feb 2018 based on the extrapolation of the RBI data. Together, they comprised around 63% of the market capitalization.

Corporate bonds are issued by both public sector entities and private sector entities. India's corporate bond market is growing at a faster pace with increasing number of participants looking to raise money from the debt capital market in the last two years. Market capitalization of India's corporate bonds is estimated to be around ₹ 26.47 trillion as on December 2017, according to SEBI data.

Money market assets comprised Treasury Bills issued by the Government of India. The market value of Treasury Bills of various maturities is around ₹ 3.87 trillion as on March 15, 2018 according to CCIL data. Treasury Bills are considered to be quite liquid. Commercial Banks issue Certificate of Deposits (CD) of maturities up to one year in order to raise wholesale money. The outstanding amount of Bank Certificate of Deposit is around ₹ 1.78 trillion as on Feb 16, 2018

according to the RBI. Private sector corporates raise short-term unsecured debt in the form of Commercial Papers (CP) from the wholesale market. The outstanding amount of total Commercial Papers is around ₹ 4.55 trillion as on Feb 28, 2018, according to the RBI data. Sovereign bonds are issued by the Government of India & Indian States to finance their budget deficits. The budget deficit is generally announced in the Union Budget for the next financial year. It is widely followed by the market participants for their analysis on the government finances. It forms the basis for India's monetary policy and demand-supply dynamic in the secondary market.

The Government of India typically funds a significant portion of its budget deficit by auctioning government bonds on weekly basis. The auction calendar is made public in advance. For last few years, the government has made conscious efforts to auction bonds with residual maturity greater than ten years in order to lengthen its maturity profile. The government also auctions Treasury Bills on weekly basis to finance their short-term cash flow mismatches. The government's Treasury Bill auction calendar is also available for market participants in advance. The government auctions 91-day treasury bills on every Wednesday while 182-day & 364-day treasury bills are auctioned on alternate Wednesday. Indian states also borrow in the bond market by auctioning State Development Loans (SDL) on alternate Tuesdays. These bonds are mostly purchased by Banks, Insurance companies as well as other market participants due to their sovereign nature, superior secondary market liquidity and statutory holding requirements by the regulators.

Indian corporate entities as well as Public Financial Institutions typically borrow wholesale money from the debt capital market. Primary supply of corporate bonds has been steadily increasing in the last three years in proportion to the increase in the demand

for quality assets from mutual funds, insurance companies, foreign portfolio investors and pension funds.

Changing regulatory landscape as well as technological developments on the settlement front has significantly reduced the counter-party risk and settlement risk for both government bond market and corporate bond market. This has significantly improved the secondary market trading volume over the last three years.

M. INVESTMENTS BY THE AMC

Subject to the SEBI Regulations the AMC may invest, up to its net worth, either directly or indirectly in the Scheme during the NFO Period. However, the AMC shall not charge any investment management and advisory services fee on such investments in the Scheme.

The aggregate investment in the scheme as on February 28, 2018 under the following Categories:

Category	Aggregate Investment (in ₹)
i. AMC's Board of Directors	-
ii. Concerned scheme's Fund Manager(s)	-
iii. Other key managerial personnel	-

N. UNDERTAKING BY THE TRUSTEES

The Trustees have ensured that the Scheme is a new product offered by Edelweiss Mutual Fund and is not a minor modification of its existing schemes.

III. UNITS AND OFFER FOR THE SCHEME

This section provides details investors need to know for investing in the Scheme.

A. NEW FUND OFFER (NFO)

New Fund Offer, New Fund Offer Period, New Fund Offer Price, Minimum Amount for Application in the NFO Period, Minimum Target Amount, Maximum Amount to be raised, Allotment, Refund and Special products/facilities available during the NFO

These sections do not apply to the Scheme covered in this SID, as the ongoing offer of the Scheme has commenced after the NFO, and the Units are available for continuous subscription and redemption.

Scheme Plans

With effect from January 1, 2013, as required by SEBI Circular No. CIR/IMD/DF/21/2012 dated September 13, 2012, direct investments by investors, viz. where the investment is not routed through distributors but made directly by the investors, will have a separate plan (i.e. Direct Plan) and a separate NAV. Expenses such as distribution expenses, brokerage or commission payable to distributors will not be charged to the investment made via direct investment and hence the Direct Plan will have a lower expense ratio

Based on the above, the Scheme offers a choice of two plans:

1. Direct Plan; and
2. Regular Plan

Investors subscribing under Direct Plan of the Scheme will have to indicate "Direct Plan" against the Scheme name in the application form i.e. "Edelweiss Corporate Bond Fund - Direct Plan". Investors should also indicate "Direct" in the ARN column of the application form. However, in case Distributor code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan. Further, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.

Treatment for investors based on the applications received is given in the table below:

Sr.	Broker Code	Plan	Treatment
1	Not mentioned	Not mentioned	Direct Plan
2	Not mentioned	Direct	Direct Plan
3	Not mentioned	Regular	Direct Plan
4	Mentioned	Direct	Direct Plan
5	Mentioned	Not Mentioned	Regular Plan
6	Direct	Not Mentioned	Direct Plan
7	Direct	Regular	Direct Plan

A valid broker code should be mentioned.

The investment portfolio shall be common for both the Plans.

Scheme Plans and Options

The Scheme offers a choice of two plans:

1. Direct Plan; and
2. Regular Plan

Investors subscribing under Direct Plan of the Scheme will have to indicate "Direct Plan" against the Scheme name in the application form i.e. "Edelweiss Corporate Bond Fund - Direct Plan". Investors should also indicate "Direct" in the ARN column of the application form. However, in case Distributor code is mentioned in the application form, but "Direct Plan" is indicated against the Scheme name, the Distributor code will be ignored and the application will be processed under Direct Plan. Further, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.

Each Plan under the Scheme offers a choice of two options which are as follows:-

- Growth option; or
- Dividend option; or

Under the Growth option, no dividend will be declared.

Under the Dividend option, a dividend may be declared by the Trustee, at its discretion, from time to time (subject to the availability of distributable surplus as calculated in accordance with the SEBI Regulations).

The Dividend option offers:

- Payout option; or
- Reinvestment option; or
- Weekly reinvestment option; or
- Fortnightly reinvestment option; or
- Monthly reinvestment option; or
- Annual reinvestment option; or
- Monthly payout option; or
- Annual payout option.

In case of weekly dividend reinvestment option, the record date for the declaration of dividend shall be every Tuesday; in case of fortnightly dividend reinvestment option, the record date shall be 14th and 28th of each month; in case of monthly dividend reinvestment or payout option the record date shall be 25th of each month and in case of annual dividend reinvestment or payout option, the record date shall be March 20 of every year. In case these record dates fall on a non-Business Day, the subsequent Business Day shall be considered as the record date. There is no assurance or guarantee to Unit Holders as to the rate of dividend distribution nor that the dividends will be regularly declared, though it is the intention of the Mutual Fund to make regular dividend distribution under the Dividend option. Dividend distribution is subject to availability of distributable surplus.

If the investor does not clearly specify at the time of investing, the choice of option under Dividend, it will be treated as a weekly dividend reinvestment option.

The investors must clearly indicate the option (Growth or Dividend) in the relevant space provided for in the Application Form. In the absence of such instruction, it will be assumed that the investor has opted for the default option, which is the Growth option.

The Trustee may decide to distribute by way of dividend, the distributable surplus by way of realised profit, dividends and interest, net of losses, expenses and taxes, if any, to Unit Holders in the Dividend option of the Scheme if such distributable surplus is available and adequate for distribution in the opinion of the Trustee. The Trustee's decision with regard to availability and adequacy, rate, timing and frequency of distribution shall be final. The dividend will be due to only those Unit Holders whose names appear in the register of Unit Holders in the Dividend option of the Scheme on the record date which will be announced in advance in accordance with the SEBI Regulations.

Dividend Policy

The Trustee may decide to distribute by way of dividend, the surplus by way of realised profit, dividends and interest, net of losses, expenses and taxes, if any, to Unit Holders in the Dividend option of the Scheme if such surplus is available and adequate for distribution in the opinion of the Trustee. The Trustee's decision with regard to availability and adequacy, rate, timing and frequency of distribution shall be final. The dividend will be due to only those Unit Holders whose names appear in the register of Unit Holders in the dividend option of the Scheme on the record date which will be announced in advance in accordance with SEBI Regulations. The Unit Holders have the option of receiving the dividend or reinvesting the same. The dividend will be reinvested, only in case of Dividend reinvestment option, at the Applicable NAV of the immediately following Business Day.

The AMC shall dispatch to the Unit Holders, the dividend warrants within 30 (thirty) days of the date of declaration of dividend. The dividend distribution procedure shall be in accordance with the Regulations.

Dematerialization

Investors have an option to hold the Units by way of an account statement or in electronic (dematerialized) form. The option to hold the Units in dematerialized form can be exercised at the time of subscription to the Units or at a later date by converting the Units in dematerialized form. Investors opting to hold the Units in electronic form must provide their dematerialized account details in the specified section of the Application Form. Investors intending to hold the Units in electronic form are required to have a beneficiary account with a Depository Participant (registered with NSDL/CDSL as may be indicated by the Mutual Fund at the time of launch of the Scheme) and will be required to indicate in the application the Depository Participant's name, Depository Participant ID Number and the beneficiary account number of the applicant held with the Depository Participant. Applicants must ensure that the sequence of the names as mentioned in the Application Form matches with that of the beneficiary account held with the Depository Participant. Names, PAN details, KYC details etc. mentioned in the Application Form will be verified against the Depository's records. **If the details mentioned in the Application Form are found to be incomplete/incorrect or not matching with the records of the Depository Participant, the application shall be treated as application for physical (non-dematerialized) mode and accordingly Units will be allotted in physical (non-dematerialized) mode, subject to it being complete in all other aspects.**

Where investors do not provide their dematerialized account details, an account statement shall be sent to them. Such investors will not be able to trade those Units on the stock exchange until their holdings are converted into dematerialized form. For conversion of physical holdings into dematerialized form, the Unit Holders will have to send the dematerialize requests to their Depository Participants.

Units held by way of account statement cannot be transferred. Units held in dematerialized form are transferable in accordance with the provisions of the Depositories Act, 1996 and the SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time.

In case, the Unit holder desires to hold the Units in a dematerialized / rematerialized form at a later date, the request for conversion of the Units held in physical (non-dematerialized) mode into electronic (dematerialized) form or vice-versa should be submitted along with a dematerialized / rematerialized Request Form to their Depository Participant. Investors should ensure that the combination of names in the account statement is the same as that in the dematerialized account.

Dematerialisation of Units

Unit Holders may have / open a beneficiary account with a Depository Participant of a Depository and choose to hold the Units in dematerialised mode. The Unit Holders have the option to dematerialise the Units held as per the account statement sent by the Registrar and Transfer Agent by making an application to the AMC / Registrar and Transfer Agent / Depository Participant for this purpose.

Rematerialisation of Units

Rematerialisation of Units can be carried out in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 as may be amended from time to time.

The process for rematerialisation of Units will be as follows:

- Unit Holders will be required to submit a request to their respective Depository Participant for rematerialisation of Units in their beneficiary accounts.
- The Depository Participant will generate a rematerialisation request number and the request will be despatched to the AMC / Registrar and Transfer Agent.
- On acceptance of request from the Depository Participant, the AMC/ Registrar and Transfer Agent will despatch the account statement to the investor and will also send confirmation to the Depository Participant.

During the dematerialization and rematerialisation process no financial and non financial transactions are allowed.

The above shall be subject to SEBI Regulations and the guidelines issued by NSE, BSE, CDSL and NSDL in this regard, as applicable and as amended from time to time.

A minor Unit Holder on becoming a major may inform the Registrar and Transfer Agent and provide his specimen signature duly authenticated by his banker as well as his details of bank account and PAN to enable the Registrar and Transfer Agent to update its records and allow him to operate the account in his own right.

Foreign Account Tax Compliance Act ('FATCA') and Common Reporting Standards (CRS) requirements:

The Foreign Account Tax Compliance Act is a United States (US) federal law, aimed at prevention of tax evasion by US Citizens and Residents ("US Persons") through use of offshore accounts. The Government of India and the US have reached an agreement in substance on the terms of an InterGovernmental Agreement ("IGA") to implement the FATCA provisions, which have become globally applicable from July 1, 2014.

Edelweiss Mutual Fund ("the Fund")/ Edelweiss Asset Management Limited ("the AMC") is classified as a FFI under the FATCA provisions, in which case the Fund / AMC is required, from time to time, to

- (i) undertake necessary due diligence process by collecting information/documentary evidence of the US/non US status of the investors;
- (ii) disclose/report information as far as may be legally permitted about the holdings/ investment returns pertaining to reportable accounts to the US Internal Revenue Service and/or such Indian authorities as may be specified under FATCA or other applicable laws and
- (iii) carry out such other activities as prescribed under the FATCA provisions, as amended from time to time. FATCA due diligence will have to be directed at each investor/unit holder (including joint investors) and on being identified as a reportable person/specified US person, all the folios will be reported. Further, in case of folio with joint investors, the entire account value of investment portfolio will be attributable under each such reportable person. Investors/Unit holders would therefore be required to furnish such information to the Fund/AMC, from time to time, in order to comply with the reporting requirements stated in the IGA and or circulars/guidelines issued by SEBI/AMFI in this regard.

The impact of FATCA is relevant not only at the point of onboarding of the investors but also throughout the life cycle of the investor account / folio with the Fund. Hence investor(s) should immediately intimate the Fund/AMC, in case of any change in the FATCA related information provided by them at the time of initial subscription.

The Fund/AMC reserves the right to reject any application or compulsorily redeem the units held directly or beneficially in case the applicant/investor fails to furnish the relevant information and/or documentation or is found to be holding units in contravention of the FATCA provisions.

Further, in accordance with the regulatory requirements relating to FATCA/CRS read along with SEBI Circular no. CIR/MIRSD/2/2015 dated August 26, 2015 and AMFI Best practices guidelines circular no. 63/2015-16 dated September 18, 2015 regarding uniform implementation of FATCA/CRS requirements, investors are requested to ensure the following:

- With effect from November 1, 2015 all investors will have to mandatorily provide the details and declaration pertaining to FATCA/CRS for all new accounts opened, failing which the application shall be liable to be rejected. For accounts opened between July 1, 2014 and October 31, 2015 and certain pre - existing accounts opened till June 30, 2014, the AMC shall reach out to the investors to seek the requisite information/declaration which has to be submitted by the investors before December 31, 2015. In case the information/declaration is not received from the investor on or before December 31, 2015, the account shall be treated as reportable account.

2. Ultimate Beneficial Ownership:

In accordance with SEBI Circular no. CIR/MIRSD/2/2013 dated January 24, 2013 and AMFI Best practices guidelines circular no. 62/2015-16 dated September 18, 2015, Investors may note the following:

- With effect from November 1, 2015, it is mandatory for new investors to provide beneficial ownership details as part of account opening documentation failing which the AMC shall reject the application.
- With effect from January 1, 2016 it is mandatory for existing investors/unit holders to provide beneficial ownership details, failing which the AMC shall reject the transaction for additional subscription (including switches).

3. Central KYC

The Government of India has authorized the Central Registry of Securitization and Asset Reconstruction and Security Interest of India (CERSAI, an independent body), to perform the function of Central KYC Records including receiving, storing, safeguarding and retrieving KYC records in digital form. Accordingly, in line with SEBI circular nos. CIR/MIRSD/66/2016 dated July 21, 2016 and CIR/MIRSD/120/2016 dated November 10, 2016 on Operationalisation of Central KYC (CKYC), read with AMFI Best Practice Guidelines circular no. 68/2016-17 dated December 22, 2016, new individual investors investing into the Fund are requested to comply with the CKYC norms.

4. Aadhaar

Investors are requested to note that the Ministry of Finance (Department of Revenue) in consultation with the Reserve Bank of India has made certain amendments to the Prevention of Money-laundering (Maintenance of Records) Rules, 2005, namely, the Prevention of Money-laundering (Maintenance of Records) Second Amendment Rules, 2017. These Rules have come into force with effect from June 1, 2017. These Rules, inter alia, make it mandatory for investors to submit Aadhaar number issued by the Unique Identification Authority of India (UIDAI) in respect of their investments.

Accordingly, investors are requested to note the following requirements in relation to submission of Aadhaar number and other prescribed details to Edelweiss Mutual Fund/ its Registrar and Transfer Agent/ Asset Management Company ("the AMC"):

- i. Where the investor is an individual, who is eligible to be enrolled for Aadhaar number, the investor is required to submit the Aadhaar number issued by UIDAI. Where the Aadhaar number has not been assigned to an investor, the investor is required to submit proof of application of enrolment for Aadhaar. If such an individual investor is not eligible to be enrolled for Aadhaar number, and in case the Permanent Account Number (PAN) is not submitted, the investor shall submit one certified copy of an officially valid document containing details of his identity and address and one recent photograph along with such other details as may be required by the Mutual Fund. The investor is required to submit PAN as defined in the Income Tax Rules, 1962.

- ii. Where the investor is a non-individual, apart from the constitution documents, Aadhaar numbers and PANs as defined in Income-tax Rules, 1962 of managers, officers or employees or persons holding an attorney to transact on the investor's behalf is required to be submitted. Where an Aadhaar number has not been assigned, proof of application towards enrolment for Aadhaar is required to be submitted and in case PAN is not submitted an officially valid document is required to be submitted. If a person holding an authority to transact on behalf of such an entity is not eligible to be enrolled for Aadhaar and does not submit the PAN, certified copy of an officially valid document containing details of identity, address, photograph and such other documents as prescribed is required to be submitted.

The timelines for submission of the Aadhaar numbers, as per the requirements stated above, are as follows:

- i. For existing Mutual Fund folios/accounts as on the date of the relevant Ministry of Finance Notification (i.e., December 13, 2017) and for folios/accounts opened thereafter but before March 31, 2018, investors need to submit the requisite details / documents latest by March 31, 2018, failing which, the Mutual Fund folio(s) would cease to be operational till the time the requisite details / documents are submitted.
- ii. For new Mutual Fund folios / accounts opened from April 1, 2018 onwards, investors are required to submit their PAN and Aadhaar number with requisite details / documents, at the time of opening the folio/ account itself, without which no new folio/account shall be opened.

Where the investors who are individuals or in the case of investors who are non-individuals, managers, officers or employees or persons holding an attorney to transact on the investor's behalf, as the case may be, do not have an Aadhaar number, the proof of enrolment for Aadhaar can be submitted. However, in such cases, the Aadhaar number shall be required to be provided for eventual authentication within the prescribed timeframe of 6 months as aforesaid, failing which the account / folio shall cease to be operational.

B. WHO CANNOT INVEST

IT SHOULD BE NOTED THAT THE FOLLOWING PERSONS / ENTITIES CANNOT INVEST IN THE SCHEME:

- (a) Any individual who is a foreign national or any other entity that is not an Indian resident under the Foreign Exchange Management Act, 1999, except where registered with SEBI as a FPI or FPI sub-account or except for NRIs or PIOs (who are not residents of the United States of America and Canada), unless such foreign national or other entity that is not an Indian resident has procured the relevant regulatory approvals from the Foreign Investment Promotion Board and / or the RBI, as applicable in the sole discretion and to the sole satisfaction of the AMC.
- (b) Overseas Corporate Bodies ("OCBs"), i.e. firms and societies which are held directly or indirectly but ultimately to the extent of at least 60% by NRIs and trusts in which at least 60% of the beneficial interest is similarly held irrevocably by such persons without the prior approval of the RBI.
- (c) United States Person (US Person) as defined under the extant laws of the United States of America, except where such US Person is an NRI / PIO, he/she shall be permitted to make an investment in the Scheme, when present in India, as lump-sum subscription and/or switch transaction (other than systematic transactions) only through physical form and upon submission of such additional documents/undertakings, as may be stipulated by the AMC/Trustee from time to time and subject to compliance with all applicable laws and regulations prior to investing in the Scheme.
- (d) Persons residing in Canada.
- (e) NRIs residing in Non-Compliant Countries and Territories ("NCCTs") as determined by the Financial Action Task Force ("FATF"), from time to time.
- (f) Religious and charitable trusts, wakfs or other public trusts that have not received necessary approvals and a private trust that is not authorized to invest in mutual fund schemes under its trust deed. The Mutual Fund will not be responsible for or any adverse consequences as a result of an investment by a public or a private trust if it is ineligible to make such investments.
- (g) Any other person determined by the AMC or the Trustee as not being eligible to invest in the Scheme.

The Units are not 'public securities' under the relevant statutes and any religious and charitable trust that seeks to invest in the Units will require prior approval of the appropriate authority under appropriate enactments which apply to them and appropriate consents under their trust deeds / constitutional documents, if applicable.

The Mutual Fund reserves the right to include/exclude new/existing categories of investors to invest in the Scheme from time to time, subject to the SEBI Regulations and other prevailing laws, if any.

Subject to the SEBI Regulations, any application for Units may be accepted or rejected at the sole and absolute discretion of the Trustee. For example, the Trustee may reject any application for the Purchase of Units if the application is invalid or incomplete or if, in its opinion, increasing the size of a Scheme's Unit Capital is not in the general interest of the Unit Holders, or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its Unit Holders to accept such an application.

Should any investor become a US Person after the allotment of the Units to the investor, the Units held by him may be mandatorily redeemed. Additionally, if at any time after the allotment of Units to the investor, it comes to the attention of the AMC that Units are beneficially owned by a US Person, the AMC will have the right to compulsorily redeem such Units.

The AMC or the Trustee may need to obtain from the investor verification of identity or such other details relating to a subscription for Units as may be required under any applicable Law, which may result in a delay in processing the application.

Where can Investors submit Completed Applications

Investors are requested to refer to the list provided on the last page of the SID and to the latest list which is available on the AMC's website (www.edelweissmf.com) for the list of Collection Banks, ISCs and Designated Collection Centers.

Such facsimile instructions are solely for the convenience, and at the risk, of the Unit Holder and the AMC is authorized to act on any facsimile instruction which the AMC, in its sole discretion, believes is transmitted from the Unit Holder.

The AMC shall exercise due care in carrying out its internal verification procedures but shall not be liable for acting in good faith on such facsimile instructions which are transmitted from unauthorized persons, which shall be binding on the Unit Holder whether made with, or without, his authority, knowledge or consent.

Applications should be made in adherence to the minimum amount requirements as mentioned in paragraph A of this **Section III - Minimum amount for Application** in the NFO.

It is mandatory for every applicant to provide the name of the bank, branch, address, account type and number as per SEBI requirements and any Application Form/Transaction Slip without these details will be treated as incomplete. Such incomplete applications will be rejected. The Registrar and Transfer Agent/AMC may ask the investor to provide a blank cancelled cheque or its photocopy for the purpose of verifying the bank account number.

In order to strengthen Know Your Client ("KYC") norms and identify every participant in the securities market with their respective PAN, thereby ensuring a sound audit trail for all transactions, SEBI has mandated that PAN will be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction.

If the investment is being made on behalf of a minor, the KYC of the minor or father or mother or the guardian who represents the minor, should be provided.

Applications received without KYC will be rejected.

For all applications, the applicant or in the case of an application in joint names, each of the applicants should mention his / her PAN allotted under the Act.

An application should be complete in all respects before it is submitted.

It will be treated as incomplete and will be liable to be rejected if:

- the PAN is not mentioned;
- any other information or documents as may be required by the AMC or the Trustee have not been submitted together with the Application Form/Transaction Slips.

KYC is mandatory for all investors making investment in mutual funds, irrespective of the amount of investment.

SEBI vide its circulars MIRSD/SE/Cir-21/2011 dated October 05, 2011, MIRSD/Cir-23/2011 dated December 02, 2011 and MIRSD/Cir-26/2011 dated December 23, 2011 had laid down a uniform KYC compliance procedure for all investors with effect from January 1, 2012. SEBI also issued KYC Registration Agency (“KRA”) Regulations 2011 and the guidelines in pursuance of the said Regulations for In-Person Verification (“IPV”).

1. Requirement for the existing investors in mutual funds:

The existing investors in mutual funds who have already complied with the KYC requirement (defined for the purpose of this SID as KYC compliant) and have the KYC compliance letter issued to them by CDSL Ventures Limited are exempt from following the new KYC procedure effective January 01, 2012, but only for the purpose of making investments with any SEBI registered mutual fund.

If, however, the KYC compliant investors would like to deal with any SEBI registered intermediary other than mutual funds, they may have to follow the new KYC compliance procedure.

2. Requirement for the new investors in mutual funds:

All investors other than KYC compliant investors as defined above are required to follow the new KYC compliance procedure as mentioned below while making any investment in the Scheme:

- Fill up and sign the KYC application form (for individual investors or non-individual investors as appropriate) available on the AMC’s website i.e. www.edelweissmf.com or www.amfiindia.com or www.cvlindia.com
- At the time of transacting with the Mutual Fund, submit, in person, the completed KYC application form along with all the necessary documents as mentioned in the KYC application form with any of the offices of the distributors (qualified as per the following note), Registrar and Transfer Agent of the Mutual Fund and the Mutual Fund; and
- Obtain a temporary acknowledgement for submission of all the documents and completion of IPV;

Note: As per the SEBI circular MIRSD/Cir-26/2011 dated December 23, 2011, it is mandatory for SEBI registered intermediaries to carry out IPV of any investor dealing with a SEBI registered intermediary.

For investments in a mutual fund, the asset management companies, registrar and transfer agents of mutual funds and distributors which comply with the certification process of National Institute of Securities Market or Association of Mutual Funds in India and have undergone the process of “Know Your Distributors” are authorised to carry out the IPV. Unless the IPV process is completed, the investor will not be considered as KYC compliant under the KYC compliance procedure and hence will not be permitted to make any investment in the Scheme.

For investors proposing to invest in the Mutual Fund directly (i.e. without being invested through any distributor), IPV done by a scheduled commercial bank may be relied upon by the Mutual Fund. Once all the documents are verified by a KYC Registered Agency, they will send the investor a letter within 10 (ten) Business days from the date of receipt of necessary documents by them from the Mutual Fund or its Registrar and Transfer Agent informing the investor either about compliance by the investor of the new KYC compliance procedure (“final acknowledgement”) or any deficiency in submission of details or documents.

On the basis of the temporary acknowledgement or the final acknowledgement the investor would be eligible to deal with any of the SEBI registered intermediaries as mentioned in the above mentioned SEBI Circulars.

In order to protect investors from frauds, it is advised that the Application Form number / folio number and name of the first investor should be written at the back of the cheque / draft, before they are handed over to any courier / messenger / distributor / ISC.

In order to protect investors from fraudulent encashment of cheques, the SEBI Regulations require that cheques for Redemption of Units specify the name of the Unit Holder and the bank name and account number where payments are to be credited. Hence, all applicants for Purchase of Units / Redemption of Units must provide a bank name, bank account number, branch address, and account type in the Application Form.

Facilities offered:

Investors also have an option to subscribe to Units during the NFO Period under the ASBA facility, which would entail blocking of funds in the investor's bank account, rather than transfer of funds, in accordance with the investor's authorization.

Investors applying through the ASBA facility should carefully read the applicable provisions before making their application. For further details on ASBA facility, investors are requested to refer to the SAI.

ASBA applications can be submitted only at SCSB at their designated branches. List of SCSBs and their designated branches shall be displayed on the SEBI's website (www.sebi.gov.in).

All existing and new non-individual Investors shall provide 'Ultimate Beneficial Ownership (UBO) details at the time of creation of new folio / account or while making additional purchase transactions, including switch transactions.

- Investors should mandatorily provide additional KYC information such as Income details, occupation, Net worth etc as mentioned in the application / supplementary KYC, FATCA & CRS - self certification form (individual & Non-individual).
- FATCA information should be provided in the supplementary KYC FATCA & CRS - self certification form (individual & Non-individual) at the time of creation of new folio / account. The Application Form(s) are available at the Investor Service Centers of Edelweiss Asset Management India Private Limited (AMC) and on the AMC website.
- For account opened between July 1, 2014 and October 31, 2015 and certain accounts opened till June 30, 2014, the AMC shall reach out to the investors to seek the requisite information / declaration which have to be submitted by investors on or before the date mentioned in the letter. In case the information is not received from the investors on or before such date, the account shall be treated as reportable account.
- For "KYC-On Hold" cases, investors need to submit missing information or update pending KYC related information with the Fund / Registrar and Transfer Agent / KYC Registration Agency to enable the Fund / AMC to process valid purchase / additional purchase / switch transactions request in the Schemes of the Fund received on or after the effective date. However, the investors enrolled under Systematic Investment Plan (SIP), Systematic Transfer Plan (STP), Dividend Sweep Facility etc. registered till October 31, 2015 will continue to be processed. This is applicable for new as well as existing investors.
- Automatic Exchange of Information ("AEOI") / Common Reporting Standard ("CRS") The Organization for Economic Co-operation and Development (OECD) has developed the Standard for Automatic Exchange of Financial Account Information in Tax Matters whereby jurisdictions that have entered into bilateral or multilateral AEOI agreements will share information on investors resident in these jurisdictions. The scope and application of information reporting and exchange pursuant to AEOI / CRS may vary depending on each local jurisdiction's implementation of AEOI / CRS.
- As of 16 December 2015, 77 countries have signed the multilateral agreement including Australia, British Virgin Islands, and Cayman Islands, People's Republic of China, India, Japan, Korea and United Kingdom.
- A prospective investor should seek advice on the effects with respect to the implementation of the AEOI / CRS from its own tax advisor based on its particular circumstances.

AMC reserves the right to reject the application in case the applicant / investor fails to submit information and / or documentation as mentioned above.

How to Pay

All cheques / drafts must be drawn favoring “Edelweiss Corporate Bond Fund” or “Edelweiss Corporate Bond Fund A/c First Investor Name” or “Edelweiss Corporate Bond Fund A/c Permanent Account Number”. They should be crossed “Account Payee only”. A separate cheque, instruction or bank draft must accompany each application.

1. Third Party Payments

In accordance with AMFI Best Practice circular no. 135/BP/16/10-11 dated August 16, 2010, which provides that with effect from November 15, 2010, no third party payments shall be accepted in any of the schemes of Edelweiss Mutual Fund. “Third Party Payment” means payment made through an instrument issued from a bank account other than that of the first named applicant / investor mentioned in the Application Form. In case of payment instruments issued from a joint bank account, the first named applicant / investor must be one of the joint holders of the bank account from which the payment instrument is issued. However, under following exceptional circumstances third party cheques will be accepted:

- a) Payment by Parents / Grand-Parents / Related Persons* on behalf of a minor in consideration of natural love and affection or as gift for a value not exceeding ₹ 50,000/- (Fifty Thousand Rupees).
- b) Custodian on behalf of an FPI or a client.
- c) Payment by Employer on behalf of employee through Payroll deductions or deduction out of expense reimbursement.
- d) Payment by AMC to a distributor empanelled with it on account of commission / incentive etc. in the form of the Mutual Fund Units of the Scheme managed by the AMC through lump sum / one-time subscription, subject to compliance with SEBI Regulations and Guidelines issued by AMFI, from time to time.
- e) Payment by corporates to its agent/distributors/dealers (similar arrangement with principal agent relationship), on account of commission/incentive payable for sale of its good / services, in the form of mutual fund units through systematic investment plan or lump sum / one time subscription, subject to compliance with SEBI guideline issued by AMFI, from time to time. Asset Management Companies should exercise excess due diligence in terms of ensuring the authenticity of such arrangements from a fraud prevention and ensure compliance with provisions of PMLA Act regarding prevention of money laundering etc.

AMC shall exercise extra due diligence in terms of ensuring the authenticity of such arrangements from a fraud prevention and ensure compliance with provisions of Prevention of Money Laundering Act regarding prevention of money laundering, etc.

*‘Related Person’ means any person investing on behalf of a minor in consideration of natural love and affection or as a gift.

Investors submitting their applications in the abovementioned exceptional circumstances are required to provide the following documents without which the applications for subscription of Units will be rejected / not processed / refunded:

- a) Mandatory KYC for Investor and the person making the payment i.e third party. Copy of the KYC acknowledgement letter of both from the investor and the person making the payment, should be attached along with the application form.
- b) Declaration from the investor and the person making the payment. Declaration by the person making the payment should give details of the bank account from which the payment is made and the relationship with the investor.

Source of funds

A) If the payment is made by cheque: An investor at the time of his purchase must provide the details of his pay-in bank account (i.e. account from which a subscription payment is made) and his pay-out bank account (i.e. account into which redemption / dividend proceeds are to be paid). The verification of third party cheque will be made on the basis of either matching the pay-in bank account details with the pay-out bank details or by matching the bank account number / name of the first applicant / signature of the first applicant with the name of the account holder / account number / signature on the cheque. If the name is not pre-printed on the cheque or the signature on the cheque does not match, then the first named applicant should submit any one of the following documents:

- a) copy of the bank pass book or account statement from the bank having the name, account number and address of the investor. (Investors should also bring the original documents along with the documents mentioned. The copy of such documents will

be verified with the original documents to the satisfaction of the AMC / Registrar and Transfer Agent. The original documents will be returned across the counter to the investor after due verification.)

- b) a letter* from the bank on its letterhead certifying that the investor maintains an account with them specifying the account number, type of account, branch, the MICR code of the branch & the IFSC code (where applicable).

In case an investor has multiple accounts, investors are requested to register them with the AMC. Pay-in from such registered single or multiple accounts can be treated as first party payments. The process to be followed for registration of multiple bank accounts is detailed under point 2 below.

- B) If the payment is made with pre-funded instruments such as Pay Order, Demand Draft, Banker's cheque, etc. (by debiting a bank account), a Certificate* (in original) from the issuing banker must accompany the purchase application, stating the account holder's name and the account number which has been debited for issue of such instrument.
- C) The AMC / Registrar and Transfer Agent will not accept any purchase applications from investors if accompanied by a pre-funded instrument issued by a bank against cash for investments of ₹ 50,000/- (Fifty Thousand Rupees) or more. In case the application is accompanied by the pre-funded instrument issued by bank against cash for less than ₹ 50,000/- (Fifty Thousand Rupees) then the investor is required to submit a Certificate* (in original) obtained from the bank giving name, address and PAN (if available) of the person who has requested for the payment instrument.

*The said letter / Certificate should be duly certified by the bank manager with his full signature, name, bank seal and contact number. The AMC / Mutual Fund / Registrar and Transfer Agent will check that the name mentioned in the Certificate matches with the first named investor.

- D) If payment is made by RTGS, NEFT, ECS, bank transfer, etc., a copy of the instruction to the bank stating the account number debited must accompany the purchase application.

The above broadly covers the various modes of payment for subscriptions in the Scheme. The above list is not a complete list and is only indicative in nature and not exhaustive. Any other method of payment, as introduced by the Mutual Fund, will also be covered under these provisions.

2. Registration of Multiple Banks Accounts

In accordance with AMFI circular no. 135/BP/17/10-11 dated October 22, 2010, the investors are allowed to register Multiple Banks Accounts for pay-in and pay-out. Individual Investors can register up to five bank accounts and Non-individual Investors can register up to ten bank accounts. Multiple Banks Account registration form is available on the website. Investor should use Part A of the Multiple Bank Accounts Registration Form along with any one of the following documents to register bank mandates. If a copy is submitted, investors should bring the original to the office for verification:

- a. Cancelled cheque leaf, or
- b. Bank statement/pass book page with account number, account holders' name and address.

Investor should use the Part B of the Multiple Bank Accounts Registration Form to register one of the registered bank accounts as the default bank account for credit of redemption and dividend proceeds.

The investor, may however, specify any other registered bank accounts for credit of redemption proceeds at the time of requesting for the redemption.

The investor should use the Part C of the Multiple Bank Accounts Registration Form to delete a registered bank account. Investor shall not be allowed to delete a default bank account unless investor registers another registered account as a default account.

In case of any change in registered bank account, a cooling off period of 10 calendar days shall be made applicable for validation and registration of bank accounts.

Payment can be made by one of the following methods:

- Cheque;
- Draft (i.e. demand draft or bank draft);

- A payment instrument (such as pay order, banker's cheque, etc.); or
- Electronic instructions (if mandated).

The cheque should be payable at a bank's branch which is situated at and is a member of the Collecting Banker's clearing house/zone in the city where the application is submitted to a Designated Collection Centre.

An investor may invest through a distributor or bank with whom the AMC has made an arrangement, whereby payment may be made through ECS / NEFT / RTGS or in any manner acceptable to the AMC, and is evidenced by receipt of credit in the bank account of the Mutual Fund.

Further for the benefit of investors, the RTGS charges up to the limit of ₹ 200/- (Two hundred Rupees) for each such investments into the schemes of Edelweiss Mutual Fund, which shall be borne by the AMC.

The following modes of payment are not valid, and applications accompanied by such payments are liable to be rejected.

- Outstation cheques (i.e. if the cheque is payable at a bank's branch which does not participate in the local clearing mechanism of the city where the application is submitted).
- Cash, money orders or postal orders.
- Post dated cheques

If the applicant is resident of a city, the banking clearing circle of which is different from that of any ISC as designated by the AMC from time to time, the AMC shall bear the bank charges for the demand draft(s).

Applications accompanied by cheques / drafts not fulfilling the above criteria are liable to be rejected.

Note: The Trustee, at its discretion at a later date, may choose to alter or add other modes of payment.

Payments by NRIs / PIOs, FPIs

(a) Repatriable basis

In the case of NRIs / PIOs, payment may be made either by inward remittance through normal banking channels or out of funds held in a NRE Account / FCNR account.

FPIs may pay their subscriptions either by inward remittance through normal banking channels or out of funds held in a Non-Resident Rupee Account maintained with the designated branch of an authorised dealer in accordance with the relevant exchange management regulations.

(b) Non-repatriable basis

In the case of NRIs, payment may be made either by inward remittance through normal banking channels or out of funds held in an NRE / FCNR / NRO account.

Listing

The Scheme being open ended, the Units are not proposed to be listed on any stock exchange and no transfer facility is provided. However, the Mutual Fund may at its sole discretion list the Units on one or more stock exchanges at a later date.

The policy regarding reissue of redeemed Units, including the maximum extent, the manner of reissue and the entity (the Scheme or the AMC) involved in the same.

Not Applicable

Restrictions, if any, on the right to freely retain or dispose of Units being offered for the Scheme

In conformity with the guidelines and notifications issued by SEBI / Government of India / any other Regulatory Agencies from time to time, as applicable, Units may be offered as security by way of a lien/charge in favour of banks, financial institutions, non-banking finance companies, or any other body. The Registrar and Transfer Agent will note and record the lien against such Units. A standard form for this purpose is available on request with the Registrar and Transfer Agent.

The Unit Holder will not be able to redeem / switch Units under a lien until the lien holder provides written authorisation to the AMC / Mutual Fund / Registrar and Transfer Agent that the lien is discharged. As long as Units are under a lien, the lien holder will have complete

authority to exercise the lien, thereby redeeming such Units and receiving payment proceeds. In such instance, the Unit Holder will be informed by the Registrar and Transfer Agent through an account statement. In no case will the Units be transferred from the Unit Holder to a lien holder. Dividends declared on units under lien will be paid/reinvested to the credit of the Unit Holder and not the lien holder.

The Units held in physical mode are not transferable. In view of the same, additions / deletions of names will not be allowed under any folio of a Scheme. The above provisions in respect of deletions of names will not be applicable in case of death of Unit Holder (in respect of joint holdings) as this is treated as transmission of Units and not transfer.

- e. Only transactions in the same scheme shall be clubbed. This will include transactions at option level (Dividend, Growth and Direct).
- f. Transactions in the name of minor received through guardian shall not be aggregated with the transaction in the name of same guardian.

The above will be applicable only for cheques / demand drafts / payment instruments payable locally in the city in which a Designated Collection Center is located. No outstation cheques will be accepted.

Note: For the avoidance of doubt, where applications are received for an amount of less than ₹ 2 Lakhs (Two Lakh Rupees) on a non-Business Day the closing NAV of the next Business Day shall be applicable.

For Redemption:

- a. Where the application is received up to 3.00 pm on a Business Day - Closing NAV of the day of receipt of application; and
- b. Where the application is received after 3.00 pm. on a Business Day - Closing NAV of the next Business Day.

Note: In case of applications received on a Non-Business Day the closing NAV of the next Business Day shall be applicable.

For Switches:

Valid applications for 'Switch-out' shall be treated as applications for Redemption and valid applications for 'Switch-in' shall be treated as applications for Purchase, and the provisions of the cut-off time and the Applicable NAV mentioned above as applicable to purchase and redemption shall be applied respectively to the 'Switch-in' and 'Switch-out' applications.

Where can the applications for Purchase / Redemption / Switches be submitted?

The details of official points of acceptance and Collection Banks are given on the back cover page.

Minimum amount for Purchase / Redemption / Switches

Minimum Initial Application Amount: ₹ 5,000/- (Five Thousand Rupees only) per application and in multiples of ₹ 1/- (One Rupee only) thereafter.

Minimum Additional Application Amount: ₹ 1,000/- (One Thousand Rupees only) per application and in multiples of ₹ 1/- (One Rupee only) thereafter.

Minimum Amount/No. of Units for Redemption: ₹ 1,000/- (One Thousand Rupees only) or 100 (one hundred) Units or the account balance, whichever is lower.

Valid applications for Switch-out shall be treated as applications for Redemption and valid applications for Switch-in shall be treated as applications for Purchase and the above mentioned provisions shall apply accordingly.

Subject to the minimum amount mentioned above, in case of a request for switch for all Units or the entire amount, fractions will be allowed.

Dividend

The AMC / Trustee may, at their discretion, approve the distribution of dividends out of the distributable surplus to the Unit Holders in the Dividend Option whose names appear in the Register of Unit Holders on the Record Date. The dividend will either be reinvested or cash payouts made as per the option exercised by the Unit Holder.

Dividends, in the case of investors who have opted for the Dividend (Payout) option, shall be dispatched to the Unit Holders concerned within 30 (Thirty) calendar days of the date of declaration of the dividend.

If the investor does not clearly specify at the time of investing, the choice of option under Dividend, it will be treated as a weekly dividend reinvestment option.

If there is any delay in dispatch of dividends as per SEBI Regulations, the AMC will be liable to pay interest at 15% p.a.

How to Redeem

A Transaction Slip can be used by the Unit Holder to request for Redemption. The requisite details should be entered in the Transaction Slip and submitted at an ISC or the AMC offices. Transaction Slips can be obtained from any location of the ISCs or the AMC offices.

Restrictions on Redemptions

After obtaining board approval the Trustee and the AMC may restrict redemptions in the Scheme when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:

- (a) **Liquidity issues** – when the market at large becomes illiquid affecting almost all securities rather than any issuer specific security.
- (b) **Market failures, exchange closures** – when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies.
- (c) **Operational issues** – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (eg a black out).

In the event redemptions are restricted, such restriction may be imposed for a specific period of time not exceeding 10 working days in any 90 day period and the restriction on redemption shall not apply to redemption requests up to 2 lakh. Where redemption requests are above 2 lakh, the AMC shall redeem the first 2 lakh without such restriction and remaining part over and above 2 lakh shall be subject to such restriction.

As per SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2016/57 dated May 31, 2016 such restriction on redemption will be applicable to the Scheme with effect from July 1, 2016.

Special facilities available
1. Systematic Investment Plan (SIP)

This facility enables investors to save and invest periodically over a period of time. It is a convenient way to “invest as you earn” and affords the investor an opportunity to enter the market regularly, thus averaging the acquisition cost of Units. The conditions for investing in SIP will be as follows:

- (a) The date of the cheque shall be the same as the date of the application. The payment under SIP may be made through a distributor with whom the AMC has made an arrangement for payment of investment money through ECS / NEFT / RTGS or in any manner acceptable to the AMC.
 - (b) The SIP can be made daily (all business days of the month) / weekly (7th, 14th, 21st, 28th of the month) / fortnightly (10th and 25th of the month) / monthly (any date except last 3 days of the month) / quarterly (any date except last 3 days of the month) specified by the Unit Holder. In case the chosen day/date falls on a Non-Business Day, the SIP will be processed on the immediate next Business Day.
 - (c) All payment instructions / installments shall be of equal amounts.
 - (d) The minimum amount of each installment(s) shall be ₹ 1,000/- (One Thousand Rupees only) and thereafter multiples of ₹ 1/- (One Rupee only).
 - (e) The aggregate of such SIP installment(s) shall not be less than ₹ 6,000/- (Six Thousand Rupees only), There is no upper Purchase limit for a single SIP installment(s) or in aggregate.
-

- (f) If the previous folio number is not mentioned, an extension of an existing SIP will be treated as a new SIP on the date of such application and all the above conditions need to be met with.
- (g) The Load structure prevailing at the time of submission of the SIP application (whether fresh or extension) will apply for all the installments indicated in such an application.
- (h) In case of cancellation of a SIP or payment instructions not honoured, the AMC may reduce the number of Units allotted or to be allotted to the investor.
- (i) With effect from November 28, 2016 fresh registration under the SIP through post dated cheques will not be accepted.

2. Systematic Withdrawal Plan SWP

This facility enables the Unit Holders to withdraw sums from their accounts in the Scheme at periodic intervals through a one-time request. The SWP can be made daily (all business days of the month) / weekly (7th, 14th, 21st, 28th of the month) / fortnightly (10th and 25th of the month) / monthly (any date except last 3 days of the month) / quarterly (any date except last 3 days of the month) specified by the Unit Holder. In case the chosen day/date falls on a Non-Business Day, the SWP will be processed on the immediate next Business Day.

The minimum amount in Rupees for withdrawal under the SWP facility shall be ₹ 1,000/- (One Thousand Rupees only), while the minimum number of Units for withdrawal shall be 100 (one hundred) Units, whichever is less. In case the minimum balance falls below these limits immediately after such SWP being effected, the AMC has the discretion but not the obligation to redeem all the Units. The withdrawals will commence from the start date mentioned by the Unit Holder in the Application Form for the facility, provided such date is a Business Day. The Units will be redeemed at the Applicable NAV on the respective dates on which such withdrawals are effect. However, if any of the dates on which the Redemption is sought is a non-Business Day, the Units will be redeemed at the Applicable NAV of the next Business Day.

This facility is explained by way of an illustration below:

Date	Amount Invested (₹)	Amount withdrawn under SWP	Assumed* NAV per unit (₹)	Units redeemed	Unit Balance**	Value after SWP (₹)

*The NAVs in the table above are purely illustrative and should not be understood or construed as assured or guaranteed returns. Entry and Exit Loads are assumed to be NIL for the purpose of the illustration.

** Previous balance less Units redeemed.

For applicable load on Redemptions through SWP please refer to **Section IV – Fees and Expenses, “C. Load Structure”**.

3. Systematic Transfer Plan (STP)

This facility enables Unit Holders to transfer fixed amounts from their accounts in the Scheme to other schemes launched by the Mutual Fund from time to time. The STP can be made daily (all business days of the month) / weekly (7th, 14th, 21st, 28th of the month) / fortnightly (10th and 25th of the month) / monthly (any date except last 3 days of the month) / quarterly (any date except last 3 days of the month) specified by the Unit Holder. In case the chosen day/date falls on a Non-Business Day, the STP will be processed on the immediate next Business Day.

The provision of minimum Purchase / Redemption amount with respect to the Scheme will not be applicable for transfers made under this facility. The transfer will commence from the date mentioned by the Unit Holder in the Application Form for the facility (provided such date is a Business Day). The Units will be allotted/redeemed at the Applicable NAV of the Business Day on which such investments / withdrawals are effected. In case the day on which the investment / withdrawal is sought to be made is not a Business Day for the Scheme, then the application for the facility will be deemed to have been received on the immediately following Business Day. The minimum amount in Rupees for switch under the STP facility shall be ₹ 1000/- (One Thousand Rupees only), while the minimum number of Units shall be 100 (one hundred) Units, whichever is less. In case the minimum balance would fall below these limits immediately after any transfer under the STP facility, the AMC has the discretionary but not the obligation to transfer all the Units.

Please note:

- (a) Investors wishing to transfer their accumulated Unit balance held under Regular Plan (through lumpsum / systematic investments made without distributor code) to Direct Plan can switch / redeem their investments without any Exit Load.
- (b) Investors wishing to transfer their accumulated Unit balance held under Regular Plan (through lumpsum / systematic investments made with distributor code) to Direct Plan can switch /redeem their investments (subject to applicable Exit Load, if any).

4. Regular Payout Facility ('the RP Facility')

The RP Facility will enable investors to withdraw/redeem a fixed percentage of the specified amount from their investments in the Eligible Schemes at a predefined frequency as specified at the time of registering for the RP Facility. Investor/unit holders are requested to take note of the terms and conditions of the RP Facility as stated in the Regular Payout Facility Form, effective from September 29, 2017.

5. Investment through Corporate Platform

Under this facility subscription is allowed viz. "Investment through Corporate Platform" for the employees / officers of Corporates. Through this facility, if the Corporate provides direct credit of their employees'/officers' investments either through SIP or lumpsum into the Scheme's bank account, the requirement for submitting cheque/cancelled cheque during initial (first time) investment shall be waived off. Further, in case of SIP the frequency and the date will be customized by the AMC, at its discretion with effect from January 22, 2018.

Lien on Units for Loans

Units may be offered as security by way of a lien/charge in favour of scheduled banks, financial institutions, non-banking finance companies or any other body. The Registrar and Transfer Agent will note and record the lien against such Units. A standard request letter for this purpose is available on request with the Registrar and Transfer Agent or the AMC.

The Unit Holder will not be able to redeem / switch Units under lien until the lien holder provides written authorization to the Mutual Fund / AMC / Registrar and Transfer Agent that the lien / charge may be vacated. As long as Units are under lien, the lien holder will have complete authority to exercise the lien, thereby redeeming such Units and receiving payment proceeds. In such instance, the Unit Holder will be informed by the Registrar and Transfer Agent through an account statement. In no case will the Units be transferred from the Unit Holder to the lien holder. Dividends declared on Units under lien will be paid / re-invested to the credit of the Unit Holder and not the lien holder unless specified otherwise in the lien letter.

Account Statements

For normal transactions during ongoing sales and repurchase:

- The AMC shall allot the Units to the applicants whose application has been accepted and also send confirmations specifying the number of Units allotted to the applicant by way of email and / or SMS's to the applicant's registered email address and / or mobile number as soon as possible but not later than 5 (five) Business Days from the date of closure of the allotment and / or from the date of receipt of the specific request for an account statement from the Unit Holders. For ongoing period, a CAS for each calendar month to the Unit Holder(s) in whose folio(s) Transaction(s) has / have taken place during that calendar month shall be sent on or before 10th of the succeeding calendar month. In case of any specific request for an account statement received from a Unit Holder, the account statement shall be sent to the Unit Holder within 5 (five) Business Days from the receipt of such request.
- For the purpose of sending CAS, common investors across mutual funds shall be identified by their PAN.
- Unit Holders whose folio(s) are not updated with PAN details shall not receive a CAS. The Unit Holders are therefore requested to ensure that the folio(s) are updated with their PAN.

The statement of holding of the beneficiary account holder for Units held in dematerialized form will be sent by the respective Depository Participants periodically.

Further, the CAS detailing holdings across all schemes of all mutual funds at the end of every 6 (six) calendar months (i.e. September / March), shall be sent by mail / e-mail on or before the 10th day of succeeding calendar month, to all such Unit Holders in whose folios no transaction has taken place during that period. The half yearly CAS will be sent by e-mail to the Unit Holders whose e-mail address is available, unless a specific request is made to receive the same in physical form. Allotment of Units and dispatch of account statements to NRIs / FPIs will be subject to RBI approval. Upon allotment of Units an account statement will be sent to each Unit Holder stating the number of Units allotted.

Mutual fund units held in dematerialized account only are freely transferable in accordance with SEBI Circular no. CIR/IMD/DF/10/2010 dated 18 August 2010. The Trustee may issue a Unit Certificate in lieu of the account statement in respect of the Units held to such Unit Holders who request for the same, after receipt of a specific request from the Unit Holder. The Trustee reserve the right to make the Units transferable at a later date subject to SEBI Regulations issued from time to time.

In view of the same, additions/deletion of names will not be allowed under any folio of the Scheme.

The above provisions in respect of deletion of names will not be applicable in case of death of Unit Holder (in respect of joint holdings) as this is treated as transmission of Units and not transfer.

Redemption

PAYMENT OF PROCEEDS

1. Resident Investors

Redemption proceeds will be paid by cheques, marked "A/c Payee only" and drawn in the name of the sole holder/first-named holder (as determined by the records of the Registrar and Transfer Agent).

The Mutual Fund will endeavour to dispatch the Redemption proceeds within 3 (three) Business Days from the acceptance of the Redemption request, but not beyond 10 (ten) Business Days from the date of acceptance of the Redemption request. If the payment is not made within the period stipulated in the SEBI Regulations, the Unit Holder shall be paid interest at 15% p.a. for the delayed period and the interest shall be borne by the AMC.

The bank name and bank account number, as specified in the Registrar and Transfer Agent's records, will be mentioned in the cheque. The cheque will be payable at all the cities having ISCs. If the Unit Holder resides in any other city, he will be paid by a demand draft payable at the city of his residence and the demand draft charges shall be borne by the AMC. The proceeds may be paid by way of direct credit / NEFT / RTGS / any other manner through which the investor's bank account specified in the Registrar and Transfer Agent's records may be credited with the Redemption proceeds.

The AMC provides direct credit facility with 10 banks currently. Please refer to section "Instructions & Notes" in the CAF for further details.

Note: The Trustee, at its discretion at a later date, may choose to alter or add other modes of payment.

The Redemption proceeds will be sent by courier or (if the addressee city is not serviced by the courier) by registered post. The dispatch for the purpose of delivery through the courier / postal department, as the case may be, shall be treated as delivery to the investor. The AMC/ Registrar and Transfer Agent are not responsible for any delayed delivery or non-delivery or any consequences thereof, if the dispatch has been made correctly as stated in this paragraph.

2. Non-Resident Indian Investors

For NRIs, Redemption proceeds will be remitted depending upon the source of investment as follows:

(a) Repatriation Basis

When Units have been purchased through remittance in foreign exchange from abroad or by cheque / draft issued from proceeds of the Unit Holder's FCNR account or from funds held in the Unit Holder's NRE Rupee account kept in India, the proceeds can be remitted to the Unit Holder in foreign currency (any exchange rate fluctuation / remittance fees will be borne by the Unit Holder). The proceeds can also be sent to his Indian address for crediting to his NRE account / FCNR account / NRO account, if desired by the Unit Holder.

(b) Non-Repatriation Basis

When Units have been purchased from funds held in the Unit Holder's NRO account, the proceeds will be sent to the Unit Holder's Indian address for crediting to the Unit Holder's NRO account.

For FPIs, the designated branch of the authorised dealer may allow remittance of net sale / redemption proceeds (after payment of taxes) or credit the amount to the FCNR account or NRE Rupee account of the FPI maintained in accordance with the approval granted to it by the RBI.

The AMC / Trustee / Mutual Fund will not be liable for any delays or for any loss on account of any exchange fluctuations, while converting the Rupee amount in foreign exchange in the case of transactions with NRIs / FPIs.

The AMC / Trustee / Mutual Fund may make other arrangements for effecting payment of Redemption proceeds in future.

The Unit Holder has the option to request for Redemption either in amount in Rupees or in number of Units.

Units purchased by cheque may not be redeemed until after realisation of the cheque. In case the investor mentions the number of Units as well as the amount, then the amount will be considered for processing the Redemption request. In case the investor mentions the number of Units or the amount in words and figures, then the value in words will be taken for processing the Redemption request.

If the redemption request amount exceeds the balance lying to the credit of the Unit Holder's said account, then the Scheme shall redeem the entire amount lying to the credit of the Unit Holder's account in the Scheme.

If an investor has purchased Units on more than 1 (one) Business Day, the Units purchased prior in time (i.e. those Units which have been held for the longest period of time), will be redeemed first and / or are deemed to have been redeemed first, i.e. on a first in first out basis except when the Unit Holder specifically requests Redemption of Units purchased on specific date(s). If multiple Purchases are made on the same day, the Purchase appearing earliest in the account statement will be redeemed first.

The minimum amount in Rupees for Redemption shall be ₹ 1,000/- (One Thousand Rupees only), or 100 (one hundred) Units or account balance, whichever is less.

The Mutual Fund will endeavour to dispatch the Redemption proceeds to the Unit Holders normally within 3 (three) Business Days from the date of acceptance of the Redemption request; however investors should be aware that regulatory timelines currently specify 10 (ten) Business Days.

Delay in payment of Redemption Proceeds

The AMC shall be liable to pay interest to the Unit Holders at such rate as may be specified by SEBI for the period of such delay (presently at 15% per annum). Interest shall be payable if there is a delay in payment of Redemption proceeds beyond the regulatory timelines stipulated by SEBI.

Bank Account Details

As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications for Purchase or Redemption of Units. If the Unit Holder fails to provide the bank mandate, the request for Redemption would be considered as not valid and the Mutual Fund retains the right to withhold the Redemption request or the Redemption proceeds until a proper bank mandate is furnished by the Unit Holder and the provision with respect of penal interest in such cases will not be applicable/entertained.

Policy for PEPs

Where an investor is identified as a PEP, he shall be subject to Enhanced Due Diligence (EDD) as required under SEBI Guidelines and Circulars. In case of a PEP failing to comply with such policies as are adopted by the AMC from time to time in respect of Anti-Money laundering as specified by SEBI, the AMC / the Mutual Fund / the Trustee shall have absolute discretion to freeze the folios of the investor(s), reject any application(s)/allotment of units, delay or withhold processing / payout of redemption proceeds and/or effect forced redemption of unit holdings of the investor at the applicable NAV subject to entry / exit loads (without the payment of interest) after giving due notice and ample opportunities to do so and in circumstances as may be warranted as specified in SEBI Circulars and Guidelines.

Tax rebate up to ₹ 2,500 per annum would be available for resident individuals having total income up to ₹ 3,50,000/- (Rupees Three Lakh Fifty Thousand only).

^ With effect from 1 October 2014, additional income-tax is to be paid by the mutual fund after grossing up income distributed to investor.

@ Units of a mutual fund (other than an equity oriented fund) shall be considered as a short-term capital asset where the same are held for a period of 36 months or less immediately preceding their date of transfer. Long-term capital asset means an asset which is not a short-term capital asset.

In case of resident individuals and HUFs, where the total income as reduced by long-term capital gains, is below the basic exemption limit, the long-term capital gains will be reduced to the extent of the shortfall and only the balance long-term capital gains will be subjected to the 20 per cent tax.

Assuming that the total income in case of individuals / HUF / Association of Persons (AOP) / Body of Individual (BOI) exceeds the basic exemption limit [(₹ 5,00,000/- (Rupees Five Lakhs only) in case of resident individual of an age eighty (80) years or more, ₹ 3,00,000/- (Rupees Three Lakh only) in case of resident individual of an age of sixty (60) years or more but less than eighty (80) years and ₹ 2,50,000/- (Two Lakhs Fifty Thousand only) in case of resident in India below sixty (60) years of age (including HUF, AOP/BOI)].

Note 1: An equity oriented fund has been defined as a scheme of a Mutual Fund where the investible funds are invested in equity shares of domestic companies to the extent of more than 65 per cent of the total proceeds of such fund. The percentage of equity shareholding of the fund shall be computed with reference to the annual average of the monthly averages of the opening and closing figures.

Any transfer by a unit holder of a capital asset, being a unit or units, held by him in the consolidating scheme of a mutual fund, made in consideration of the allotment to him of a capital asset, being a unit or units, in the consolidated scheme of the mutual fund is not chargeable to tax. Also, any transfer by a unit holder of a capital asset, being a unit or units, held by him in the consolidating plan of a mutual fund scheme, made in consideration of the allotment to him of a capital asset, being a unit or units, in the consolidated plan of that scheme of the mutual fund shall not be considered transfer for capital gain tax purposes and thereby shall not be chargeable to tax.

For further details on taxation please refer to the clause on Taxation in the SAI.

The above is intended as a general guide only and does not necessarily describe the tax consequences for all types of investors in the Scheme and no reliance, therefore, should be placed upon them. Each investor is advised to consult his or her own tax consultant with respect to the specific tax implications.

Please note that currently the provisions of Direct Taxes Code Bill, 2010 (DTC) are not applicable and as and when the DTC Bill is enacted, the section on taxation may undergo a change.

D. COMPUTATION OF NAV

Calculation of NAV

The NAV under the Scheme shall be calculated by the method shown below:

$$\text{NAV (₹)} = \frac{(\text{Market or fair value of the Scheme's investments + receivables + accrued income + other assets}) - (\text{accrued expenses + payables + other liabilities and provisions})}{\text{No. of Units outstanding under the Scheme}}$$

Computation of NAV, will be done after taking into account dividends paid, if any, and the distribution tax thereon, if applicable. Therefore, once dividends are distributed under the Dividend (Payout) option, the NAV of the Units under the Dividend (Payout) option would always remain lower than the NAV of the Units issued under the Growth option. The income earned and the profits realized in respect of the Units issued under the Growth option remain invested and are reflected in the NAV of the Units.

The valuation of the Scheme's assets and calculation of the Scheme's NAV shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

The first NAV will be calculated and announced within a period of 5 (Five) Business Days after the allotment of the relevant Units. Subsequently, the AMC will calculate the NAV on each Business Day and declare the same Business Day NAV of the Scheme on every Business Day.

The NAV will be calculated up to four decimal places for the Scheme.

IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the Scheme.

A. NEW FUND OFFER (NFO) EXPENSES

Since this is an ongoing scheme, this section shall not apply.

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include investment management and advisory fee charged by the AMC, the Registrar and Transfer Agent's fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that up to 2.25 % of the daily average net assets of the Scheme will be charged to the Scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund (www.edelweissmf.com).

Expense Head	% of daily Net Assets	
Investment Management and Advisory Fees	Upto 2.25%

Additional expenses under regulation 52 (6A) (c)^		Upto 0.20%
Additional expenses for gross new inflows from specified cities#	Upto 0.30%	

Note: Distribution expenses will not be charged in direct plan and no commission shall be paid from direct plan. The TER of the Direct Plan will be lower to the extent of the abovementioned distribution expenses/ commission which is charged in the Regular Plan.

Expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Provided further that amount incurred as expense on account of

inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment.

^The nature of expenses can be any permissible expenses including Investment Management & Advisory Fees.

The purpose of the above table is to assist in understanding the various costs and expenses that the Unit Holders in the Scheme will bear directly or indirectly.

The above estimates for recurring expenses for the Scheme are based on the corpus size of INR 1,000 million, and may change to the extent assets are lower or higher.

The AMC may incur actual expenses which may be more or less than those estimated above under any head and / or in total. The AMC will charge the Scheme such actual expenses incurred, subject to the statutory limit prescribed in the SEBI Regulations, as given below.

Maximum Recurring Expenses:

Daily net assets	As a % of daily net assets (per annum)	Additional Total Expense Ratio as per SEBI Regulations 52 (6A) (c) #	Additional Total Expense Ratio as per SEBI Regulations 52 (6A) (b) #
First ₹ 100 Crores	2.25%	0.20%	0.30%
Next ₹ 300 Crores	2.00%	0.20%	0.30%
Next ₹ 300 Crores	1.75%	0.20%	0.30%
Balance of assets over and above ₹ 700 Crores	1.50%	0.20%	0.30%

In addition to the limits specified in Regulation 52 (6) of SEBI Regulations, the following costs or expenses may be charged to the Scheme:

- I. The AMC may charge additional expenses, incurred towards different heads mentioned under regulations 52(2) and 52(4), not exceeding 0.20 per cent of daily net assets of the Scheme. However, such additional expenses will not be charged if exit load is not levied/ not applicable to the Scheme.
- II. Additional expenses may be charged up to 30 basis points on daily net assets of the Scheme as per Regulation 52 of SEBI Regulations, if the new inflows from beyond top 15 cities are at least (a) 30% of gross new inflows in the Scheme or (b) 15% of the average assets under management (year to date) of the Scheme, whichever is higher.

Provided that if inflows from such cities is less than the higher of (a) or (b) above, such additional expenses on daily net assets of the Scheme shall be charged on proportionate basis.

Provided further that expenses charged under this clause shall be utilized for distribution expenses incurred for bringing inflows from such cities.

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the Scheme in case the said inflows are redeemed within a period of one year from the date of investment.

- III. Brokerage and transaction cost incurred for the purpose of execution of trade may be capitalized to the extent of 12bps and

5bps for cash market transactions and derivatives transactions respectively. Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996. Any expenditure in excess of the said prescribed limit (including brokerage and transaction cost, if any) shall be borne by the AMC or by the trustee or sponsors.

In addition to expenses under Regulation 52 (6) and (6A) of SEBI Regulations, AMC may charge Good & Service Tax on Investment Management and Advisory Fees, expenses other than Investment Management and Advisory Fees and brokerage and transaction cost as below:

- a. Good & Service Tax on Investment Management and Advisory Fees: AMC may charge Good & Service Tax on Investment Management and Advisory Fees of the Scheme in addition to the maximum limit of TER as per the Regulation 52(6) and (6A) of SEBI Regulations.

- b. Good & Service Tax on expenses other than Investment Management and Advisory Fees: AMC may charge Good & Service Tax on expenses other than Investment Management and Advisory Fees of the Scheme, if any within the maximum limit of TER as per the Regulation under 52(6) and (6A) of SEBI Regulations.
- c. Good & Service Tax on brokerage and transaction cost: The Good & Service Tax on brokerage and transaction costs which are incurred for the purpose of execution of trade, will be within the limit of prescribed under Regulation 52 of SEBI Regulations.

Any expenditure in excess of the SEBI regulatory limits shall be borne by the AMC or by the Trustee or the Sponsor.

Any change in the current expense ratios will be updated on the website and the same will be communicated to the investor via SMS / e-mail 3 working days prior to the effective date of change.

Illustration of impact of expense ratio on scheme's returns

To see how expense ratios can affect your investments over time, let's compare the returns of several hypothetical investments that differ only in expense ratio. The following table depicts the returns on a ₹ 10,000 initial investment, assuming an average annualized gain of 8%, with different expense ratios (0.5%, 1%, 1.5%, 2% and 2.5%):

Year	Expense Ratio (Impact in ₹)						Expense Ratio (Impact in %age)				
	8% Gain	0.50%	1.00%	1.50%	2.00%	2.50%	0.50%	1.00%	1.50%	2.00%	2.50%
0	10,000	10,000	10,000	10,000	10,000	10,000	-	-	-	-	-

C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the Units or to redeem the Units from the Scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.edelweissmf.com) or may call at (toll free number 1800 425 0090 (MTNL/BSNL) and non toll free number +91 40 23001181 (MTNL/BSNL) for others and investors outside India or your distributor.

Entry Load: Not Applicable

Exit Load:

10% of the units allotted shall be redeemed without any Exit Load on or before completion of 365 days from the date of allotment of units.

Any redemption in excess of such limit within 365 days from the date of allotment shall be subject to the following

Exit Load:

- If redeemed or switched out on or before completion of 365 days from the date of allotment of units - 1.00%
- If redeemed or switched out after completion of 365 days from the date of allotment of units - NIL

Redemption of units would be done on First in First out Basis (FIFO). There will be no Load for Units created as a result of dividend reinvestment.

No Loads will be chargeable in case of switches made between different Scheme Options.

Exit Load (net of Good & Service Tax) charged, if any, shall be credited to the Scheme.

The investor is requested to check the prevailing load structure of the Scheme before investing.

For the most up to date information on Loads investors are advised to contact their ISC or the AMC at its toll-free number (1800-200-5763) prior to any application/Redemption.

Subject to the SEBI Regulations, the Trustee retains the right to change / impose an Entry / Exit Load, subject to the provisions below.

- (a) Any imposition or enhancement of load in future shall be applicable on prospective investments only.
- (b) The AMC shall arrange to display a notice in all the ISCs / AMC office before changing the prevailing load structure. An addendum detailing the changes in load structure will be attached to SIDs and Application Forms. Unit Holders/prospective investors will be informed of changed/prevaling load structures through various means of communication such as public notice in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated and / or display at ISCs / distributors' offices, on account statements, acknowledgements, investor newsletters, etc. The introduction of the exit load along with the details may be stamped in the acknowledgement slip issued to the investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such load.
- (c) The Redemption Price will not be lower than 93% of the Applicable NAV and the Purchase Price will not be higher than 107% of the Applicable NAV, provided that the difference between the Redemption Price and the Purchase Price at any point in time shall not exceed the permitted limit as prescribed by SEBI from time to time, which is currently 7% calculated on the Purchase Price.

For any changes in load structure, the AMC will issue an addendum and display it on the website / ISCs.

D. TRANSACTIONS UNDER A POA

An applicant wishing to transact through a POA must lodge the photocopy of the POA attested by a notary public or the original POA (which will be returned after verification). Applications are liable to be rejected if the POA in the manner as mentioned above is not submitted. The enclosure of original POA should be duly indicated in the Application Form/Transaction Slips. In case the application for subscription is accepted by the AMC without the POA, the Units under the folio cannot be redeemed unless the POA has been submitted to the AMC.

E. APPLICATION BY NON-INDIVIDUAL INVESTORS

In case of an application by a company, body corporate, society, mutual fund, trust or any other organization not being an individual, a duly certified copy of the relevant resolution specifying the relevant personnel authorized to sign on behalf of the company to invest in the Units or a document providing evidence of the authority of the organization to invest in Units, along with the updated specimen signature list of authorized signatories (duly certified) must be lodged along with the Application Form/Transaction Slip at a

Designated Collection Centre, if not submitted earlier. Further, the AMC may require that a certified copy of the incorporation deeds/constitutive documents (e.g. memorandum of association and articles of association) be submitted.

F. MODE OF HOLDING

An application can be made by up to a maximum of three applicants. Applicants must specify the 'mode of holding' in the Application Form. If an application is made by one Unit Holder only, then the mode of holding will be considered as 'Single'.

If an application is made by more than one investors, they have an option to specify the mode of holding as either 'Joint' or 'Anyone or Survivor'. If the mode of holding is specified as 'Anyone or Survivor', an instruction signed by any one of the Unit Holders will be acted upon by the Mutual Fund or the AMC. It will not be necessary for all the Unit Holders to sign the instructions.

In case of joint applications, if the investor has not mentioned the mode of holding, it shall be deemed as 'Anyone or Survivor'.

If the mode of holding is specified as 'Joint', all instructions to the Mutual Fund would have to be signed by all the Unit Holders, jointly. The Mutual Fund and the AMC will not be empowered to act on the instruction of any one of the Unit Holders in such cases.

In all cases, all communication to Unit Holders (including account statements, statutory notices and communication, etc.) will be addressed to the Unit Holder whose name appears first in terms of priority in the Unit Holder register. All payments, whether for Redemptions, dividends, etc will be made in favour of the first-named Unit Holder. If there is any delay in dispatch of dividends as per SEBI Regulations, the AMC will be liable to pay interest at 15% p.a. Service of a notice on or delivery of a document to any one of several joint Unit Holders shall be deemed effective service on or delivery to the other joint Unit Holders.

Any notice or document so sent by post to or left at the address of a Unit Holder appearing in the Unit Holder register shall, notwithstanding that such Unit Holder be then dead or bankrupt and whether or not the Trustee or the AMC has notice of such death or bankruptcy or other event, be deemed to have been duly served and such service shall be deemed a sufficient service on all persons interested (whether jointly with or as claiming through or under the Unit Holder) in the Units concerned.

Investors should carefully study the section on 'Transmission of Units', 'Change in Guardian' and 'Nomination Facility' given in the SAI, before selecting the relevant box pertaining to the mode of holding in the Application Form.

V. RIGHTS OF UNIT HOLDERS

Please refer to the SAI for details.
