

Edelweiss Mutual Fund unveils second offering under Altiva SIF

Altiva SIF by Edelweiss MF launched of its second specialised investment fund (SIF). The schemes — Altiva Equity Ex-Top 100 Long-Short Fund — will provide investors the access to the broader and potentially under-researched segment of the market through a strategy combines bottom-up stock selection with the flexibility to take both long and limited short positions, the fund house said. This is the second launch from the fund house in the SIF space.
